

Charlotte's Web
Book Report
By Giovanna Sinclair

Summary

Fern asked where's papa going with that ax? When her and her mother were setting the table for breakfast. Ferns went out to the hog house because some pigs were born last night. I don't see why he has an ax said Fern. It was because there was a runt born last night a runt is a very very small pig. But the end was about when Wilbur got to old and big too stay with Fern and they gave Wilbur to Ferns uncles barn so Fern got to go to the county fair. Wilbur won a medal but the sad thing was Charlotte died at the fair but Wilbur brought home her eggs and everything ended very well.

Opinion/Recommendation

My opinion is it was a very great book it was kind of sad at the end but I liked it because Fern would always play with Wilbur and Fern would always be caring and loving to Wilbur I would recommend this book to my friend because it is a very nice book and it teaches a good lesson. I want to read Charlottes Web one more time and I hope you do to!
