- Instruct the student to copy the stroke in the box provided.

Scoring

Collect the completed pretests and evaluate them using the Unit 1 Writing Strokes Scoring Guide provided in Teacher Resources. Students who receive a "Progressing" or "Ready" evaluation for most of the strokes are probably ready to attempt to write letters, a task introduced in Unit 3. Handwriting will improve as students practice drawing the strokes covered in Units 1 and 2. Students who receive a "Not Yet Ready" evaluation on several of the strokes will probably need additional support as they work through the fine motor exercises and writing stroke exercises in Units 1 and 2.
