Jarod

I sent this email to the sending supers yesterday. May want to bring up at your Principal's meeting.

GO KNIGHTS!

Subject: feasibility

Good Afternoon

Welcome once again to Renee and Ryan to the Superintendent positions at Stratford and Laurel Springs Schools respectively. I hope that all have had a good re-start back to school after the winter break.

After our Sending School Superintendent meeting on October 26th I have been in touch with the county and state regarding feasibility study and grants. There are grants available but we need to do some legwork before applying. One feature of the grant is that all participants have passed a board resolution agreeing to the study.

Attached you will find my letter to the Superintendents related to the feasibility study and a Resolution for the Participating Sending Districts. Likewise, Sterling will be approving a resolution to apply for the grant and a resolution to go out for an RFP at our next BOE February 2nd.

I think that we should schedule another meeting in February to discuss in greater detail but wanted to get the resolutions out so that we can meet the March 15th application deadline for the grant.

Contact me if you have any questions.

GO KNIGHTS!
