Google CS First

Waterford School District

We are excited to announce that the Google CS (Computer Science) First club, after school program is coming back to our building this winter. Each CS First club will provide an opportunity for students to work through real-world themed activities and lessons aimed at introducing them to computer science through fun and engaging ways. Students who are registered will be able to engage in their own learning once a week for a total of six sessions.

        Beginning the week of February 24, 2021 for 6 sessions

        Grade Level: 6th - 8th grade students

        Middle School Club - 3:45 pm - 4:45 pm

        Each club runs through a virtual setting from the comfort of your own home for a total

        of six sessions.

1st Year Google CS students theme will explore through Music & Sound: Make. Code. Music theme.

2nd Year and 3rd Year Google CS students will choose between Art: Art. Design. Coding. or Game Design: Code. Play. Game. Students will let the instructor know on the first day of the club.

Space is limited to the first twenty students at each site who register through Community Education. We are thrilled to announce online registration has begun at www.wsdmi.org/learn

 Cost: $25.00

Mason - Wednesday - Course # 2114.017 - First club will meet 2/24/2021

Pierce - Wednesday - Course # 2114.018 - First club will meet 2/24/2021

        If school is closed due to inclement weather the session may be rescheduled.

No sessions will be held on 3/10/2021 and 3/31/2021

Let the learning for tomorrow begin today!

Please reach out to Hannah Brokaw at brokah01@wsdmi.org if you have any questions.
