Backing up Good Notes Data to Google Drive

Google Drive is a much better option due to the increased storage capacity.

You can also send photos from your iPad to Google Drive for back up.

Step 1

Sign in to your Google Drive account. If you have not done so already – download the Google Drive app from the App Store. Your drive account is your apple ID – and password is LTsdstudentID#

Step 2

Open Good Notes App And click on Options in the bottom right of screen

Step 3 Click on Backup All

Step 4 Choose Google Drive from the list.

Step 5 – Click on Upload to begin the backup process.
