

# *VIRTUAL INFORMATION SESSIONS*

Learn more about our Summer & Residential High School programs

**Please feel free to forward this information to your students and their families. Thank you!**

The South Carolina Governor's School for the Arts and Humanities offers young emerging artists a one-of-a-kind, master-apprentice, arts-centered community. With over 20 years in our residential high school and 40 years in our summer programs, we offer a trusted and supportive space for the artistically talented students of South Carolina to live, learn, explore, and refine their talents.

**Our virtual information sessions offer a great way for your students and their families to learn more about our immersive arts programs!**

In these online Zoom sessions, a member of our Admissions team will provide program overviews and details on the 2020-2021 admissions process. They will also answer any questions attendees may have.

**Offered on different days and times each week, families can select the sessions that work best with their schedules!**
