	2			X			
1.MD.B ³	3					X	X
1.MD.C	4			X			
1.G.A	1					X	
	2					X	
	3					X	

³ According to CCSS, 1.MD.B calls for students to “tell and write time.” This is addressed in Module 5. In New York State, recognizing and identifying “coins, their names, and their values” was added to the standard and is addressed in Module 6. Check your state and local standards to determine whether money is an expectation for your students.
