

Supply List for Fourth Grade 2018-2019

In fourth grade, students use both a cinch sack and a regular, large backpack. The cinch sack is used to carry their supplies when they change classes and needs to hold composition books, a homework folder and their pencil case. It can be any type of cinch sack, similar to ones given out for free at races/special events or it can be another similar sized bag. The cinch sack does need to hang on their chair without touching the floor. The large backpack is used to carry lunch, sneakers, snow gear in winter, a water bottle and homework back and forth to school. Please do not hesitate to email if you have questions.
