

Grade 1 Orange Level - Week of 4/13

1. TRICK WORDS: Pick 2-3 new words to add to your trick word flashcards. Practice reading and spelling them in different ways.

2. Word Work: Regular Word Flash cards: Review your cards and play some games!

Poison Star Game: Add a sticker or draw a star to approx. 8-10 cards. Put the deck of cards in between 2 players. Take turns reading the top card. If you get a star, you lose all of your cards to the opposite player. Whoever has the most cards at the end wins!

3. SENTENCES: Read the sentences in your head and out loud. Practice reading them multiple times to improve your fluency.

4. STORY: Read Swiss Fun Run (attached).

This story has a lot of "S Blends" - words like: *Swiss, slam, slip, step, last, test and best.*

Think about what happened first, next and last. Read the story to more than one person if you can!
