

Grade 1 Orange Level – Week of 4/6

1. **TRICK WORDS:** Pick 2-3 new words to add to your trick word flashcards. Practice reading and spelling them in different ways.

2. **Word Work:**

a. **Complete the “L Blend” sort** – read each word as you sort them under the correct blend. (attached)

b. **Review the ng/nk glued sounds** using the reference below, and fill out the ng/nk practice sheet. (attached)

c. **Regular Word Flash cards:** Add words with “L Blends” to your pile from last week. Read all of your words throughout the week. You can use them to play games too!

Poison Star Game: Add a sticker or draw a star to approx. 8-10 cards. Put the deck of cards in between 2 players. Take turns reading the top card. If you get a star, you lose all of your cards to the opposite player. Whoever has the most cards at the end wins!

3. **SENTENCES:** Read the sentences in your head and out loud. Practice reading them multiple times to improve your fluency.

4. **STORY:** Read Planet Blip Blop. Think about what happened first, next and last. Read the story to more than one person if you can!
