

Auburn Summer Reading Requirements

Grades 1-2

Required Texts:

Grade 1: Pete the Cat: Too Cool for School by James Dean

Grade 2: Henry and Mudge: The First Book by Cynthia Rylant

Student Requirements:

- Read a minimum of 20 minutes a day. (Color in a square on your calendar each day.)
- Read required grade level text and complete the graphic organizer paper.

Students are expected to read a minimum of 20 minutes each day during the summer. The required text for their grade is listed above and the graphic organizer should be completed using information from the book. Students should try to read the required text on their own. Please assist your child by reading to or with them if the book is challenging. If needed, please use the Suggested List (see attached) as a guide when choosing books in addition to the required reading text. Students should color in a picture on their calendar for every day that they read. A list of fun literacy activities to try is included but these are not required.

Students will return their signed calendars and completed graphic organizer paper to their teacher on the first day of school. Students that return all of their work completed will get their photo taken and displayed on the Reading Wall of Fame!

Happy summer and happy reading!
