

Art Challenge # 1 Color Scavenger Hunt

Assignment:

Using found materials that exist in your home to create a color spectrum arrangement showing various Hues/Colors in the order of the rainbow.

- Arrange in a way where the color changes follow the order in a color wheel.
- Use AT LEAST 25 objects
- Photograph your arrangement on a white background maybe on a few sheets of paper, a bed sheet, or a white table.
- Create 3 different layouts of a color arrangement, photographing them each time
- Email me a google document with your name and the 3 color photos showing your color arrangements.

Example: The example shown are items in a circle like a color wheel. Think of creative ways to display your colors.
