

Dear Grownups of incoming 3rd Graders,

We are looking forward to having your children in the fall. Third grade is a year full of lots of learning. This year, we will be switching classrooms to maximize student learning! Mrs. Mendolera will teach Language Arts and Social Studies and Mrs. Selby will be teaching Math and Science!

In preparation for third grade, we hope you will have your children read a lot over the summer. Fifteen minutes a day can maintain fluency and a love for reading. It is also imperative that your child knows their addition and subtraction facts because we will begin with multiplication facts in September!

To make things easier on families, I have created an Amazon list for supplies for the year. This method is preferred and if you choose to use this list, you will have all items sent directly to me. I will label everything for your child and have it ready for the first day of school. Please make sure you put your child's name on the gift receipt. You need one of each item. Please scan the QR code to access this list.

You could also do a combination of supplies using the amazon list and purchasing items on your own. If you choose to purchase items on your own, please see the attached list for supplies - please know that if you purchase things that are not listed, we will likely not use them. I will be providing notebooks, take home folders, and other materials we will be needing throughout the year.

If you have any questions, please don't hesitate to reach out to me through e-mail at cmendolera@deerfield.k12.nj.us or jselby@deerfield.k12.nj.us

Yours in Learning,
Mrs. Mendolera
& **Mrs. Selby**

3rd Grade School Supply List:

Scan the QR code to be taken directly to the Amazon list. Supplies will be mailed to Mrs. Mendolera and will be labeled and ready for the first day of school.

If you'd rather purchase items on your own and bring them in on the first day - here is a list of what we will need. You could also purchase some items on the list, and others at the a store of your choice if you choose. Please note, other items not listed will not be used.
