

4th Grade Music Blizzard Bag Ridgewood Middle School (Folkert)

Choose one activity from the following list for each day: (Blizzard Bag 1, Blizzard Bag 2, and Blizzard Bag 3 would equal three activities)

- 1) Share your favorite song with someone in your family. Did they like it? Be prepared to share your answer with the class.
- 2) If you were a professional singer, what type of music would you sing? Share your answer with someone in your family.
- 3) Do you listen to the same kind of music as the grownups in your family? Ask one grownup to share a song with you that they enjoy. Did you like it? Be prepared to share with me why or why not.
- 4) Have a family dance party! Pick your favorite dance song and have your family join you in a dance party.
- 5) Do you know any songs about winter/snow/ice? If you have access to the internet, search for one we might listen to in class.

There is no written part of the music Blizzard Bag to turn in to me. We will discuss what activities you did at home in a *small* written activity when we return to school. Music is for everyone and meant to be enjoyed! Have FUN!
