

Supply List Grade 6

2024-2025

Welcome to Grade 6 !!!! We are very excited to be working with you this year. Below you will find the materials list for this school year. Please know that we may need to reach out with additional requests at a later date in the school year, due to running out of supplies or because we did not foresee needing something that we do not have.

Students will be assigned a locker. They will need a carabiner to close their locker. In that locker, they will only be permitted to put their outdoor clothing and boots. Students will need to carry their backpacks with them to their different classes. This will help to lessen the time students are congregating in the hallway between classes. Students will be issued a laptop by their homeroom teacher during the first week of school. Laptops will stay at school until Mr. Robert issues signouts.
