

GRADE EXPECTATION SHEET

Department: **Mathematics**

Teachers: **Mrs. Francyne. Lanteri**

Subject: **Common Core Algebra**

Classroom Rules:

1. Treat everyone with respect and treat all property with respect.
2. Arrive to class on time. If circumstances cause a student to be detained, entrance is **quiet**. Late note should be placed on teacher's desk before student takes his/her seat.
3. Must have a binder with 14 dividers
4. Come prepared to class with all the required materials (notebook, pen/pencil, calculators).

Grade Policy: Quarter grades are determined by the total number of points earned divided by the total number of points available.

1. TESTS/QUIZZES

Tests are announced with adequate warning. If a student is absent for a test, the **student** is responsible to make an appointment for a **make-up test**. If the student fails to schedule this appointment or forgets to show up for the make-up test, the test grade will be averaged as a zero.

Math test day is Friday this year

If a student signs in or out of school legally the day of an exam, it is the student's responsibility to take the exam on a **free period** **THAT DAY!!** If a student fails to do so, he/she will receive a zero for the exam.

Quizzes may be announced or unannounced.

Take Home Tests are given regularly over the course and are assigned with **MORE** than enough time to finish them. Take Home Tests count as a regular test grade in your average and are **NOT ACCEPTED LATE!!!!!!!!!!!!!!**

2. HOMEWORK:

Homework is assigned **EVERY** night!! (This includes study time as well as written homework) Homework should be completed to the best of your ability. Your homework should include the page number and any and all work needed to complete the problems. Homework will be checked every day and will randomly be collected as a quiz grade.

3. CLASSWORK:

If a student is prepared/unprepared for class (i.e.: notebook, calculator, paper, pen or ruler) a maximum of 5 points can be added or deducted from the student's overall average. Being on time to class is very important!! Being late to class is NOT being in your seat when the bell rings. This means even if you sign in "late" at the main office-you are still considered late to class which will affect your classwork grade.

Extra-Help Hours

Tuesday and Thursday mornings at 7:15 or by appointment

If a student is not available during regularly scheduled extra-help, time can be made by simply making an appointment with the teacher. Students should come prepared with notes and questions.

To the Parents: Please feel free to phone me at any time to discuss your child's progress. I can be reached at **692-8600 ext. 6931** during periods: _____

Please feel free to email me at any time at **flanteri@csh.k12.ny.us**
