# Credit Requirements

# 24-Credit Subject Area Requirements: Foundational (Core) and Elective (Flexible) Credits

24 TOTAL CREDITS

<sup>\*</sup> Personalized Pathway Requirements (PPR) are electives in any subject that align with the student's interests and their High School and Beyond Plan. The arts and world language credits can be replaced with other electives, based on the student's plan.

# 24-Credit Subject Area Requirements: Foundational (Core) and Elective (Flexible) Credits

# Indicators of Academic Progress (IAP)

- (g) Makes a significant gain in a core academic subject based on the assessment tool's determination of significant gain (may be claimed multiple times in a year per enrolled student);
- (h) Successfully completes a grade level curriculum in a core academic subject that does not earn high school or college credit;

<sup>\*</sup> Personalized Pathway Requirements (PPR) are electives in any subject that align with the student's interests and their High School and Beyond Plan. The arts and world language credits can be replaced with other electives, based on the student's plan.

High School and Beyond Plans

# Framework for Quality High School and Beyond Planning

### **Timeframe**

- An <u>annual</u> exploration and planning process
- Begins in 7th or 8th grade.

### **Opportunities**

- Explore who they are (skills, interests, goals)
- Discover careers that fit
- Choose classes and activities aligned to goals and interests
- Assess academic progress
- Document achievements
- Adjust goals

### Results

- Students make informed class choices
- Prepares students to pursue a post-high school goal that is meaningful to who they want to be and what they want to do
- Schools are more responsive to students' interests/goals

## HSBP Requirements At-A-Glance

#### My High School and Beyond Plan

#### WHAT IS A HIGH SCHOOL AND BEYOND PLAN?

Welcome to your High School and Beyond Plan (HSBP)! To be ready for roughly 67% of the jobs in today's world, you need additional education or training after high school. Using the time you are given to work on your HSBP can help you maximize your education and prepare to move forward after high school craduation.

The HSBP graduation requirement focuses on three guiding questions:

- > Who am I?
- > What can I become?, and
- > How do I become that?

Use these three questions as your guide to think about who you are and what you are passionate about, explore possible jobs that align with your interests, skills and dreams, and discover what kind of post-high school education and/or training will best prepare you for a job that fits you!

Your school counseior, advisor ancior teachers, and your family or guardian(s), can help you create and update this plan as your interests and goals change. Use the activities that help build your HSBP to guide your decisions about which are the best available classes to take. Ideally, you'll be able to enroll in a comherisation of required and elective classes that will provide an opportunity to explore your interests, develop your skills, meet specific credit and course requirements, and pregare for your future goals.

Post high school options to consider as a meaningful first next stop after high school include onthe-pit harming (including internships and public service), technical codepes, indistrirecognized certificate programs, apprenticeship programs, military training, or hwoffour-year colleges. There are multiple state and federal financial ad programs and other sources of financial assistance that can help pay for the further education and training you need to complete through one or more of these post-light school options.

#### WHAT MUST BE DONE TO COMPLETE THIS GRADUATION REQUIREMENT?

Required elements of your High School and Beyond Plan (sections will be underlined):

Identification of your career goals using a career interest inventory.

Begins in 7th or 8th grade

Uses career interest assessment to identify career goals

Identification of educational goals for graduation and beyond

Plan for course taking

Information about the College Bound Scholarship and dual credit opportunities

Resumé or activity log to be completed by the end of 12th grade

Intervention and support plan for students not meeting state assessment standards

Must be provided in district's top two non-English languages Must be updated in 10th grade to inform junior year coursetaking

# Indicator of Academic Progress (IAP)

(e) Passes one or more tests or benchmarks that would satisfy the state board of education's graduation requirements as provided in chapter 180-51 WAC;

### Be sure it is actual CTE or Dual Credit

Prior to indicating IAP (e), thoroughly review the materials, providers, curriculum, and/or online course

Investigate the difference between career and occupational education vs "CTE". Determine if it is a potential college credit generating course vs "Dual Credit". Terms can be misleading.

Credit-Earning Flexibility and Options

# Flexibility for Credit Recovery and Completion

### **Dual Credit**

- Running Start
- College in the High School
- CTE Dual Credit
- Advanced Placement
- Cambridge International
- International Baccalaureate
- Open Doors (100 level and higher)

# **Mastery Based Credits**

 Mastery-based Learning FAQs

### **Additional Time**

- Up to age 20 for general education students
- Up to age 21 for students receiving special education services
- Open Doors under age 21 on Sept 1

## **Credit Waivers**

# Graduation Requirements Emergency Waiver (GREW)

Permits the waiver of credits and graduation pathway requirements, as a last resort for helping students who graduate with the class of 2023

### **Good faith effort:**

- Individual student advising
- Academic supports
- Mastery-based crediting
- More examples in <u>WAC</u>
   180-111-020

### What Can Be Waived with the GREW for the class of 2023?

### Up to 2 credits\*\*

- ➤ May be 'flexible' credits or 'core' credits
- No more than 1.0 credit in any 'core' subject area

Students must earn at least a total of 20 credits

### Graduation pathway options

\*\*Before use of this waiver, LEAs should consider using their **existing authority** to waive local graduation requirements, the 2-credit waiver of flexible credits for individual student circumstances, and flexibility in the PE and Washington State History requirements

### **Student Eligibility for the Waiver**

- Reasonably expected to graduate during the 2022-2023 school year [WAC 180-111-020(5)]
- Demonstrated postsecondary preparation for their next steps as identified in their High School and Beyond Plan
- Experienced a significant disruption to their ability to complete graduation requirements due to the emergency

# **Demonstration of Postsecondary Preparation:**

- Complete a graduation pathway option
- Earn college credit
- CTE preparatory course
- More examples in WAC 180-111-020

Can students who want to graduate early use the GREW? Students who want to graduate early must meet all credit and subject area requirements for their cohort. The GREW may be applied <u>only</u> to the graduation pathway requirement.

### Other Waivers

#### Waiver of Local **Graduation Requirements**

District has authority to waive requirements that are above and beyond the WA State graduation requirements

#### Flexible Credit Waiver

- School districts can waive up to two flexible credits for individual students
- Credits waived based on individual student circumstances
- None of the waived credits can be mandatory core credits.

#### **PE Waiver**

- Students may be excused from the physical education requirement
- Students are still required to demonstrate mastery in the knowledge portion of the physical education requirement, in accordance with written district policy.

#### **WA State History Waiver**

 Can be waived by principals for students who:

Have successfully completed a state history course of study in another state; OR

Are in eleventh or twelfth grade and who have not completed a course of study in Washington's history because of previous residence outside the state:

OR

Have not completed WA State History because of emergency school closure, or other circumstance due to an emergency that prevented completion
