Dear Grand Families,

It is my pleasure to welcome you to Grand Avenue School for the 2019-2020 school year. Please take the time to read through the student handbook with your children so they will be aware of our STAR expectations for them.

Our student folders are designed to assist your child in organizing his/her daily assignments and notes. It is also a great tool to keep the communication open between home and school. Please feel free to write notes to your child's teacher and look for notes they have sent you.

We welcome your participation and support this school year and invite you to participate in our very active PTO. Working together, we will be able to reach our collective and individual goals as well as celebrate the achievements of our students.

If you have any questions, please call 405-222-6524.

Sincerely,  
Dereth Harrison, Principal

## ATTENDANCE AND MAKE-UP WORK

(Board Policy FDC-R2) In accordance with the policy of the board of education, this regulation shall govern attendance and absenteeism in grades Kindergarten through sixth grade.

- The maximum number of absences during any nine-week period shall be 7. A student absent from class more than 7 times during a nine-week period shall be required, along with the student's parents, to work out an improvement plan with the principal.
- Students who are absent from school shall be required to make up the work missed. Arrangements for doing make-up work must be made prior to the absence or not later than the day the student returns to class. Students are given 1 day for every day missed to complete the class work assigned while they were absent.
- When a student is absent, the parent or guardian should call the attendance office before noon the day of the absence, if possible. Otherwise, the student must bring a note from the parent/guardian explaining the absence.
- Three (3) unexcused tardies will equal one (1) unexcused absence. Students arriving after 8:30 am will be counted as tardy.

## TARDINESS

(FDC-R1) Students are considered tardy when they arrive one minute after starting times (8:30 A.M.). They are counted absent for the portion of the day they miss. **Students arriving late need to be checked into the office by an adult before going to class.**

- Three (3) tardies will equal one (1) unexcused absence.
- One (1) absence due to tardiness will affect a student's opportunity to obtain perfect attendance.
- Students arriving after 9:45 am will be counted absent for the morning. Students leaving school before 1:45 pm will be counted absent for the afternoon. This will be counted against perfect attendance.

The new truancy law (HB 1975) states upon the 4<sup>th</sup> day or parts of days of unexcused absences within a four-week period or for ten days or parts of days within a semester shall be referred to the District Attorney. The District Attorney has the power to issue citations to parents after their child's fourth unexcused absence.

## ARRIVAL PROCEDURES

Children eating breakfast may arrive at 7:45 am. Students arriving at 7:45 am will be at school at least 45 minutes before the start of the school day. **THERE ARE NO ADULTS AVAILABLE FOR SUPERVISION BEFORE 7:45 A.M.** For your child's safety please do not bring them to school before 7:45 am.

## ASBESTOS HAZARD EMERGENCY RESPONSE ACT RULE

Following a mandate issued by the United States Congress in 1986, the U. S. Environmental Protection Agency has established the Asbestos Hazard Emergency Response Act (AHERA) Rule. The AHERA Rule provides guidelines for identification, monitoring, and management of asbestos containing material (ACM) in all public and private schools from kindergarten through twelfth grade.

The Asbestos Inspection and Management Plan are designed to identify any presence of ACM and to provide a program to control those materials and prevent any risk to building occupants. The inspection results and the management plan are on file for public review and may be examined by contacting your building principal or by visiting the administration office at 900 W. Choctaw between the hours of 9:00 A.M. and 3:00 P.M. the days school is in session.

## **CLOSING OF SCHOOL FOR INCLEMENT WEATHER**

Closure of school due to inclement weather conditions will be announced by 6:30 A.M. on KOOL 105.5 Radio and all major Oklahoma City TV Stations. Closure of school will also be announced on the district website: [www.chickasha.k12.ok.us](http://www.chickasha.k12.ok.us) and on Grand Elementary's Facebook page. Parents and students are encouraged not to call the school, so building administrators will be able to implement safety procedures.

Please provide the school with current phone numbers so that you can be reached in case of school closure.

During Tornado Season we share safe rooms with Bill Wallace. The staff will have the students in the rooms if there is a threat of a tornado. Once the sirens have been sounded in town we will not be opening the rooms to allow students to leave. If you want to pick up your child, it must be before the sirens are sounded. There is not room for parents and other children. Please stay weather wise during these times.

## **BIKE SAFETY**

Students must walk their bikes when they are on school property and sidewalks to and from the bike rack. They will also be required to walk the bike across all crosswalks. Bike riders will be dismissed with the walking students and will cross the streets with adult supervision. If these rules are not followed, students will lose their privilege to ride a bike to school. Chickasha Public Schools will not be responsible for lost or stolen bikes; therefore, it is recommended that students bring a lock to secure his/her bike to the rack.

## **BIRTHDAY OR PRIVATE PARTIES**

No invitations for private parties are allowed to be distributed, unless the whole class is included.

## **BREAKFAST AND LUNCH PROGRAM**

All Grand students are eligible for free breakfast and lunch through the Community Eligibility Program. The Community Eligibility Provision (CEP) is a non-pricing meal service option for schools and school districts in low-income areas. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students. Instead, schools that adopt CEP are reimbursed using a formula based on the percentage of students categorically eligible for free meals based on their participation in other specific means-tested programs, such as the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF).

Each parent will be given an application for free and reduced lunches upon enrollment of their child. We are required to provide each parent this opportunity. A new application must be submitted at the beginning of each school year. Should you have a change in your family income

or household size you may complete a new application at any time. Contact your school lunch fund attendant, principal, or the food department at 222-6573 for more information.

In accordance with the Federal Healthy Kids Act, we strongly discourage students from bringing soft drinks in their lunches. Instead, we encourage students to make healthy choices when selecting items for their lunches. Check the school website [www.chickasha.k12.ok.us](http://www.chickasha.k12.ok.us) for breakfast/lunch menus. In accordance with the Federal Healthy Kids Act, we strongly discourage students from bringing soft drinks in their lunches. Instead, we encourage students to make healthy choices when selecting items for their lunches.

## CHILD FIND NOTICE

Under the Individuals with Disabilities Education Act and other federal laws, public school districts must make a free appropriate public education available to eligible children with disabilities, ages 3 through 21. The types of disabilities covered include autism, deaf-blindness, developmental delays, emotional disturbance, hearing impairment, including deafness, intellectual disabilities, multiple disabilities, orthopedic impairments, other health impairments, specific learning disabilities, speech or language impairments, traumatic brain injury, and visual impairment including blindness. Chickasha Public Schools is trying to find children ages 3 through 21 who may have disabilities and who are not currently receiving services. If you would like further information or know of a child who may have a disability who is living in the Chickasha Public Schools District, please contact Pam Ladyman at 222-6500.

## CLASSROOM PARTIES

Three class parties may be approved by the building principal during the year; in December, February, and at the end of the year. If for any reason you object to your child participating in these parties please contact the teacher.

Classes may have additional parties to celebrate goals accomplished and special rewards. These do not always coincide with the times and dates of traditional parties of the past.

### All food must be in prepackaged containers.

(Board Policy CO-R4) It is the policy of the board of education that any food brought to the school for such celebrations not be home-prepared. Food should be store-purchased and properly sealed and protected. The seals and wrappings of store purchased food items and drinks should be removed at school and distributed under the direction of the classroom teacher or his/her designee. We suggest healthy food replace sweets.

## DISCIPLINE POLICY

(Board Policy FO) The Chickasha Board of Education believes that the school's primary goal is to educate, not to discipline. However, education includes establishing norms of social behavior and assisting students in understanding and attaining those norms.

The students enrolled in the Chickasha Public Schools will be expected to abide by the rules and regulations set forth by the administration, teachers and Board of Education. The teacher or administrator shall have the same right as the parent or guardian to control and discipline a child while in attendance at school, school sponsored activities, or being transported to or from school or school sponsored activities in district owned transportation equipment. **(The provisions of this policy include behavior at bus stops and children walking to and from school).** Any student who is found to be guilty of disobeying the rules or showing disrespect for any teacher and/or school property will be subject to disciplinary action. The disciplinary action to be taken will depend on the severity of the violation and the number of times the student has broken the regulation. (70 O.S. 6-114, School Laws of Oklahoma).

## CONDUCT AND DISCIPLINE PROCEDURES

The staff at each elementary site works together to make discipline as fair and consistent as possible. Disciplinary actions depend on the nature, frequency, severity, and situation of student misbehavior. Students are expected to obey the rules and all adults responsible for their care.

Desirable conduct is rewarded and students should learn that there are positive consequences for good behavior just as there are negative consequences for inappropriate behavior.

Teachers are responsible for establishing rules with students and handling behavior problems. Teachers inform the principal and parent when repeated dangerous or severely disruptive conduct occurs. The principal may initiate immediate disciplinary actions if needed or when previous consequences used by the teacher have been unsuccessful.

Students have the right to learn free of unnecessary distractions in a safe and orderly environment. **The following rules exist in order to insure these conditions.**

## **DISCIPLINE PROCEDURES FOR BUS RIDERS**

Riding the school bus is a privilege and all students are expected to follow safe riding practices. In accordance with the policy of the board of education (FFFF-R1), the following rules and regulations shall govern the conduct of school bus passengers:

1. Students and other school bus passengers shall conduct themselves in a manner consistent with good classroom behavior while waiting for and traveling on school buses. Misconduct will be brought to the attention of parents and the principal by the school bus driver.
2. The noise level on school buses must remain at a low level to enable the driver to hear emergency and train signals. Therefore, passengers must not shout, sing, or otherwise cause any disturbance that may distract the driver.
3. Smoking or the consumption of food or beverage is not permitted on school buses.
4. School bus windows must remain closed unless the driver permits them to be opened. When windows are open, passengers must not throw objects from windows or extend any part of the body through a window.
5. Any passenger who defaces or vandalizes a school bus in any way shall be immediately suspended from riding school buses. The first suspension shall be for 10 days; the second suspension shall be for the remainder of that school year. No suspended student shall be permitted to resume the school bus privilege until all damages for which the student was responsible are paid.
6. School bus transportation is a privilege provided for students who obey the bus rider rules. Failure of students to obey the rules could result in the bus driver's attention being distracted. This in turn could result in a bus accident. Students are to obey the request of the bus driver as they would a teacher. **Failure to follow the bus rider rules will be dealt with as follows:**

1<sup>st</sup> Offense: Conference with student, assigned seat at the front of the bus

2<sup>nd</sup> Offense: 5 days suspension from the bus

3<sup>rd</sup> Offense: 10 days suspension from the bus

4<sup>th</sup> Offense: Suspension from the bus for the remainder of the semester

7. Students must board the school bus at designated bus stops, if any, and at school bus boarding areas on school premises. Students must remain orderly until the bus comes to a complete stop and boarding permission is given by the driver. Seats may be assigned at the driver's discretion. Passengers must be seated immediately. Seats may not be held for later passengers, and must be shared when necessary.
8. After the bus is en route, passengers must remain seated until the bus is stopped. Upon exiting the bus, passengers must move away from the bus. The school bus will not move until the passengers can be observed by the driver. If a passenger must cross the street to reach the residence, the passenger will advise the driver.
9. If a student is denied transportation for any reason, the parent(s) will be notified as soon as possible. The bus driver shall not put a child off the bus other than at the student's regular stop without written parental permission.

## VIDEO CAMERAS ON SCHOOL BUSES

The school buses of the Chickasha Public Schools are equipped with on-board video recording cameras to monitor student behavior and assist the district in providing safe transportation to and from school. The school district will use video cameras in conjunction with driver observation to enforce school bus rider rules. Students should be aware that their actions may be recorded at any time during their ride on a school bus. **DUE TO THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA), BUS VIDEO CANNOT BE SHOWN TO PARENTS.**

## DISMISSAL AND EARLY CHECK-OUT

We encourage you to try and schedule your child's doctor and dental appointments after school. All children leaving school early must be checked out through the office. **(No early dismissals unless approved by the office)**. Please do not interrupt the class in progress. We will call the student to come to the office before leaving school.

All bus riders will ride the buses home daily unless communication from the legal guardian or parent is received in the school office prior to 2:00 p.m. daily.

- Other students may not ride the buses home with bus riders unless prior approval has been given by the principal.
- Students will not be permitted to change their going home procedures (indicated by parents and guardians upon enrollment) unless the school office has been notified by the parent or guardian before 2:00 p.m.

(For example: a child who regularly rides a bus home from school will be sent home every day on the bus unless the parent or guardian contacts the office and informs us differently).

- In order to ensure the safety of our students, **we must have a note or phone call from the parent or guardian before we will allow a child to leave school with someone else.**
- If your child is going home with another student, both students must bring a note from their parents.

Car riders will be dismissed at 3:15 p.m. All students who are not picked up by 3:40 pm will be taken into the office.

All car riders will be dismissed at 3:15 pm on the east side of the building in the east oval. Parents should form a line on 14<sup>th</sup> Street traveling north and enter the oval at the north end. For your safety, please do not enter the oval from Grand Avenue as it causes a traffic jam on Grand. Do not ask your child to come to the street to load. For safety purposes we need to load from the oval. You may walk up to get your children if you choose. When you exit the oval, you must turn south on 14<sup>th</sup> Street.

## DRESS CODE FOR STUDENTS

(Board Policy FNCA) The principals of the respective schools and grade levels are authorized by the board of education to enforce standards of appropriate dress in their respective buildings. Principals should seek the cooperation of parents in solving specific problems in this area, but the decision of suitable attire and grooming rest with the principal.

Elementary students participate in a number of physical activities. They attend PE and recess daily. It is recommended that girls wear shorts under their dresses. We also suggest that students wear shoes in which they can run, exercise and play. It is hard to participate in PE activities wearing heels or flip flops.

Correct clothing has a definite effect on a student's attitude toward studying, behavior and concentration. Extreme fashions and hairstyles make children self conscious and interfere with their ability to work. Body piercing, clothing, hair color, and appearance should not interfere with the learning environment.

- Clothing shall not display lettering, pictures, numerical figures which carry the connotation of immorality, vulgarity, obscenity, and/or drug and alcohol use.
- Any display of nudity or manner of dress or grooming which is offensive will be corrected immediately.
- Skin tight clothing, mesh tops, and tank tops (that are less than 3 fingers wide) are prohibited, as are midriffs or short shirts which reveal the torso.
- Shorts and skirts may not be shorter than the student's longest finger tip when arms are held straight down by the student's side.

## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT**

(Board Policy FL-R) In the course of a student's education, the school district will keep records deemed necessary to provide programs to meet his/her needs and interests. The Chickasha Public Schools and Procedures related to these records meet the provisions of the Family Educational Rights and Privacy Act (FERPA). The following grading scale shall be utilized by all teachers of grades three through twelve:

100-90	A

## GRADE PLACEMENT – PROMOTION/RETENTION

(Board Policy EIA-R4) Students in grades one through eight must achieve a grade average of 60% or higher in at least three major courses of study to be promoted to the next higher grade. The major courses of study are math, language arts, science, reading, and social studies.

Decisions to promote or retain student shall be based on the criteria outlined in district policy and upon what is judged by the teachers and administrators to be in the best interest of the child. Parents will be informed in writing of these considerations and decisions.

Whenever a teacher or teachers recommend that a student be retained in a grade or not passed in a course and the parent or guardian is dissatisfied with the recommendation, the parent/guardian may appeal the decision to the Board of Education. The Board of Education shall hear grade retention/course failure appeals only following a required parent/teacher conference. The appropriate timeline must be followed. The decision of the Board shall be final.

(Board Policy EIAE-P) Proficiency based testing will be available upon request to give students the opportunity to demonstrate proficiency of state competencies. Students must demonstrate proficiency at 90% level to advance to the next level of study in the curriculum area(s). This decision will take into consideration such factors as social, emotional, physical, and mental growth. The school will confer with parents in making any such promotion/acceleration decisions.

The opportunity for proficiency assessment will be provided two weeks each school year. The test weeks will be the third week in June and the last week in December.

**Reading Sufficiency** testing will be conducted in the Chickasha Public Schools to ensure that each student has attained the necessary reading skills upon the completion of the 3<sup>rd</sup> grade. Each student enrolled in kindergarten, 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> grades of the public schools of this state shall be assessed by multiple, on-going assessments for the acquisition of reading skills for the grade level in which that student is enrolled (Board Policy EKBA).

Any student who is assessed and found not to be reading at the appropriate grade level shall be provided an Academic Progress Plan designed to enable the student to acquire the appropriate grade level reading skills. The Academic Progress Plan shall align with Oklahoma Academic Standards and may include, but not limited to:

- Sufficient additional in-school instructional time for acquisition of phonological awareness, phonics, spelling, reading fluency, vocabulary, and comprehension;
- If necessary, tutorial instruction after regular school hours, on Saturdays and during summer; however, such instruction may not be counted toward the one-hundred-eighty-day school year; and,
- Assessments identified for diagnostic purposes and periodic monitoring to measure the acquisition of reading skills including, but not limited to, phonological awareness, phonics, spelling, reading fluency, vocabulary, and comprehension, as identified in the student's program of reading instruction.

If a 3<sup>rd</sup> grade student is unable to meet competencies required for reading for completion of the 3<sup>rd</sup> grade and promotion to 4<sup>th</sup> grade, a consultation will be held with the parent or guardian of the student. The promotion of the student to the 4<sup>th</sup> grade is contingent upon the participation in and successful completion of the required competencies for reading by the student at a summer academy or other program. If the student does not successfully complete the competencies in the summer academy or other program, the student may be retained in the 3<sup>rd</sup> grade.

## HEAD LICE

Any student with head lice will be prohibited from attending the Chickasha Public Schools and cannot return to school until treatment and verification by a staff member or appropriate health care provider that the child rid of lice.

(Board Policy FFA-E1) By the time you learn that one member of your family has lice, they may already have spread to others in the family. Therefore, it is essential that you do the following at once:

- Inspect each member of your family daily for at least two weeks. Head lice should be suspected when there is intense itching and scratching of the scalp and the back of the neck. If you look closely at the scalp, you will see small, whitish eggs firmly attached to the hair shaft, especially at the nape of the neck and above the ears. Although these eggs may look like dandruff, dandruff can easily be removed from the hair while the eggs are not removed easily even by pulling. A fine-toothed comb is often needed to remove the nits.
- If other members of your family become infested, treat them also.
- Wash all personal clothing (including underwear and pajamas) and bedding (sheets, blankets, pillowcases) of all family members in hot water or by dry cleaning those that have been used in the last two weeks.
- Thoroughly wash combs and brushes in hot soapy water to disinfect.
- Use clean towels for each person.
- Vacuum mattresses, rugs, sofa, etc. thoroughly, or spray house thoroughly with R & C Spray.
- Rinsing hair with vinegar after shampoo makes nit removal easier.
- Repeat shampoo and house cleaning procedures in 7 – 10 days.

Shampoos to use in treatment of Head Lice:

### Prescription

Kwell, Scabene

### Non-Prescription

A-200, R&C, RID, Triple X, Cuprex

## HOMework POLICY

Due to the varied work speed of individual students, anything assigned during the school day becomes homework if not completed during class. Please note that ample time is given to finish most assignments in class.

## ILLNESS

Students with a temperature above 98.6 degrees or more must go home and not return until they have been free of fever for 24 hours. Students who are experiencing vomiting or diarrhea must also wait 24 hours before returning to school. When children are sick, they should remain at home to keep infection from spreading. This does not include sniffles and coughs due to allergies.

Any child afflicted with a contagious disease, including staph, may be prohibited from attending Chickasha Public Schools, and cannot re-enter school until treatment and verification that the child is not still infected.

Parents of children who become ill or have an accident during the school day will be contacted. If parents cannot be reached, the emergency numbers will be called. **Please be sure that your child's emergency information is complete and accurate.**

## INTERNET POLICY

(Board Policy EFBCA) The Chickasha Public Schools district is pleased to make available to students and staff access to interconnected computer systems within the district and to the Internet, the worldwide network that provides access to significant educational materials and opportunities.

In order for the school district to ensure the continued accessibility of its computer network and the Internet, all students and staff must take responsibility for appropriate and lawful use of this access. Students and staff must understand that one person's misuse of the network and Internet access may jeopardize the ability of all students and staff to enjoy the access. While the school's teachers and other staff will make reasonable efforts to supervise student use of network and Internet access, they must have student cooperation in exercising and promoting responsible use of this access.

Each student must agree to follow the district Acceptable Use and Internet Safety Policy and be given the opportunity to enjoy Internet access at school. If a student is under 18 years of age, he or she must have his or her parent or guardian read and sign the policy. The school district shall not provide access to any student who does not return the policy as directed with the signatures of the student and his/her parent or guardian.

Cough drops and loose pills, not in original containers will not be given to students.

**STUDENTS MUST NOT TRANSPORT PRESCRIPTION OR NON-PRESCRIPTION MEDICATION.**

## MOMENT OF SILENCE

(Board Policy EMI) It shall be the policy of this Chickasha Board of Education that no sectarian or religious doctrine shall be taught or inculcated into the curriculum or activities of the school. However, those students who wish to do so may participate in voluntary prayer so long as it is during non-instructional time and does not interfere with the rights of other students.

At the beginning of each school day in which students are present at school, the district shall observe one minute of silence for the purpose of allowing each student, in the exercise of his or her choice, to reflect, meditate, pray, or engage in any other silent activity that does not interfere with, distract, or impede other students in the exercise of their individual choices.

## **PARENT TEACHER ORGANIZATION**

(Board Policy GGAB) Parent-teacher organizations shall be encouraged as a means of developing understanding between the home and the school. The Chickasha Board of Education wholeheartedly encourages and supports organized PTA units, as well as a coordinating city council PTA. Assistance in formulating well-organized units, cooperating in planning activities, projects, and school programs, and in general simulating good parent-teacher relations is a function shared by each certificated teacher in the school system.

## **PARENT CONFERENCES**

It is very important for parents and teachers to keep in close contact and communicate on a regular basis in order to support one another and our students in their educational efforts. Through parent conferences, parents and teachers become better acquainted and can share information about students. Parent conferences are held during the sixth week of the first and the seventh week for the third nine weeks. Other conferences may be initiated during the school year as needed by parent, teacher, or principal. You may arrange for additional conferences with your child's teacher by contacting the teacher or school office.

Chickasha Public Schools will not be responsible for these items. **Play guns or knives are not permitted at school and may result in disciplinary action including suspension.**

## REPORTING ABUSE OR NEGLECT

Every person, private citizen or professional who has reason to believe that a child under the age of 18 is being abused or neglected is mandated by law to promptly report suspected abuse to the Oklahoma Department of Human Services (DHS). Likewise, law enforcement will be notified when there is reason to believe a criminal act has occurred.

## CHICKASHA PUBLIC SCHOOL DISTRICT DIRECTORY INFORMATION NOTICE

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that the School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the School District may disclose appropriately designated "directory information" with written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the School District to include this type of information from our child's education records in certain school publications.

Examples include:

- A playbill, showing your student's role in a drama production;

- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1065 (ESEA) to provide military recruiters, upon request, with three directory information categories – Names, addresses and telephone listings – unless disclosed without their prior written consent.

The School District has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended
- Student ID number user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records with a pin password, etc. (A student's SSN, in whole or in part, cannot be used for this purpose.)

The School District will notify parents and eligible students annually of the designated items of directory information by means of a District newsletter, newspaper notice, school handbook or individual notice. Parents and eligible students have the right to exclude directory information from public access by notifying the Superintendent's office in writing of any or all of the items that refuse to permit the School District to designate as directory information about that student within two weeks of receiving the notice. At the end of the two-week period, each student's records will be appropriately marked to indicate the times the School District will not designate as directory information about that student. This designation will remain in effect until it is modified by the written direction of the student's parent or the eligible student.

## **CHICKASHA PUBLIC SCHOOL DISTRICT PPRA NOTICE AND CONSENT/OPT OUT FOR SPECIFIC ACTIVITIES**

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires the School District to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):

- Political affiliations or beliefs of the student or students parent;
- Mental or psychological problems of the student or student's family;
- Sex behavior or attitudes
- Illegal, anti-social, self-incrimination, or demeaning behavior;
- Critical appraisals of others with whom respondents have close family relationships;
- Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
- Religious practices, affiliations, or beliefs of the student or parents;
- Income, other than required by law to determine eligibility.

This requirement also applies to the collection, disclosure or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings. The School District will provide parents, within a reasonable period of time prior to the administration of any surveys and activities, notification of the surveys and activities and an opportunity to opt their child out, as well as an opportunity to review the surveys. (Please note that this notice and consent/opt-out transfer from parent to any student who is 18 years old or an emancipated minor under state law.)
