Why WRITERS write

- to express thoughts
- to communicate
- to share experiences
- to tell about important events
- to share our feelings
- to teach
- to ask questions

A black and white photograph of a round analog clock with a black frame. The clock face is white with black numbers from 1 to 12. The hands are black, and there is a red second hand. The clock is centered, and the words "TIME TO BE KIND" are written in large, bold, black capital letters around it, following the curve of the clock's perimeter.
