Dear Parents and Students:

Greetings! To those returning to school and those joining the school family for the first time--- welcome to Greer Middle! I know that we are going to have a great year, and I'm excited that you are here. It will be a great year filled with learning and fun!

This handbook contains essential information regarding our school and school rules. I hope that you find it a helpful resource.

At Greer Middle, we strive to build a family atmosphere where students feel safe. In this environment, students can thrive academically and socially and be their best. It takes a focused team effort to provide children with the quality instruction that they deserve and to ensure that all students are successful. Parents – you are a key part of this team. We look forward to partnering with you to help OUR children be their best. Encourage your children often and have regular conversations with them about school and their work. Make sure that your child is at school and on time each day. Parental involvement with high expectations shows children that school is important and that you are committed to their success. I encourage you to volunteer your time and abilities, visit often, and communicate regularly with your child's teachers. Students come to school expecting to learn and willing to work hard. Our staff will provide the quality instruction that you deserve and that your parents expect. Together, we can accomplish amazing things!

As stated in our school promise, we are all part of the Greer Middle School team. We focus on learning, and we will achieve our greatest success by supporting one another in a respectful and caring environment. I'm glad that you are a part of the Greer Middle team, and I know that each child will have a wonderful educational experience this year.

Sincerely,

Stephanie Lackey, Principal

Greer Middle School Mission Statement

The mission of Greer Middle School is to empower students to become independent, productive learners who exemplify good character in an increasingly global society.

We believe our students should:

- feel safe both emotionally and physically in and out of the classroom
- give and be given respect
- be constantly challenged with standards driven curriculum and instruction
- share the accountability for education with parents, teachers, and the community
- receive curriculum, instruction, and assessment aligned to meet their individual needs
- be able to communicate effectively and solve problems

Academic Information

Providing rigorous academic learning opportunities is the primary function of Greer Middle School. To accomplish this objective, we believe our school should:

- have high expectations for all students
- involve families as partners
- challenge all students to use their minds to their full potential
- be developmentally responsive and sensitive to the unique challenges of middle school students

Students will reach their fullest potential by:

- attending school each day
- bringing the proper materials to class
- actively engaging in the learning process

Academic Grading Policy

A=90-100	B=80-89	C=70-79
D=60-69	F=50-59	

Students will receive a numeric grade for each subject based on the grading scale. The numeric grade and category of the course determine the quality points earned for each subject. Middle school courses, except those taken for high school credit, earn the base weight. Academic honor rolls will be established with grades from the core content areas (Math, ELA, Social Studies, Science), as well as Related Arts classes.

Attendance

South Carolina Law requires the regular attendance of all pupils. The School District of Greenville County Schools has adopted uniform rules to assure that students attend school regularly.

Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal. The school year consists of 180 days. To receive credit, students must attend at least 85 days of each 90-day semester course and at least 170 days of each 180-day year course, as well as meet all minimum requirements for each course. Accrued student absences may not exceed ten (10) days during the school year. Any absence in excess of ten (10) may cause the student to lose credit for the year. Because 170 days are the minimum required by the state, the first ten (10) absences may be lawful, unlawful, or a combination. All absences beginning with the eleventh (11th) day must be lawful and will be excused if they fall within the following guidelines:

Lawful Absences

Personal illness of a child verified by a statement from a physician within two (2) days of the students' return to school. Absences for CHRONIC or EXTENDED illness will be approved only when verified by a physician's statement. (This includes doctor's appointments.) Serious illness or death of an immediate family member verified by a statement from the parent within two (2) days of the student's return to school. Absences for religious holidays when approved in advance. Requests must be made to the Principal in writing. Absences for extreme hardships must be approved by the Principal. Such approval should be pre arranged when possible.

Unlawful Absences

Any student absence, with or without the knowledge of the parent, which does not meet the conditions for a lawful absence, shall be counted as unlawful and will not be excused. When a student returns to school from being absent he/she should bring a note explaining why he/she was absent. The note should be signed by a parent/guardian and dated. Students should present parent excuses to the Front Office on the day they return to school. This should be done before the 8:30 a.m. bell.

Perfect Attendance Criteria

The definition of an absence at a middle school in Greenville County is when a student misses more than half of any singular class period for which a student is enrolled, during a school day. Absence in any part of the school day for a minimum of more than half the class period excludes a student from perfect attendance.

Procedures for Makeup Work

All students with absences may make up work. It is the student's responsibility to arrange, with his/her teacher(s), a method of making up missed schoolwork. The work should be made up **within five (5) days** after the student returns to school. If a test or other project has been previously announced before the student's absence, the student should be prepared to complete the assignment on his/her return to school. Students who are suspended out of school will have the opportunity to make up work missed during the suspension.

Parents of a student who is ill and will be absent from school three (3) or more consecutive days may request assignments by contacting the guidance office (355-5815). Parents should call the guidance office between 8:00 a.m. and 9:00 a.m. to request class assignments. Parents may pick up these assignments after 3:15 p.m. in the main office.

Student ID's

For safety reasons, all Greenville County middle school students are required to wear ID Badges while on campus. At the beginning of the school year, all students will be issued an ID Badge and lanyard at no cost. If the badge is lost, stolen, damaged, or defaced; the student must pay \$5 to purchase a replacement. ID Badges must be in possession of the student to whom it was issued. Students are also encouraged to purchase an extra ID Badge for \$5 and leave it in their locker as a backup in the event they fail to bring their ID Badge to school.

Each morning, staff members on duty and 1st Period teachers will complete an ID Check to ensure all students have the ID Badge. If a student does not have their ID Badge, they will report to the ISS Clerk to receive a temporary badge. This temporary badge must be worn all day in place of the ID Badge. The consequence for not bringing an ID Badge will be Lunch Detention that day in addition to wearing the temporary badge. After five (5) Lunch Detentions per semester for failure to bring an ID Badge to school, students will be sent to ISS for the entire day.

If a student fails to bring their ID Badge, but they have \$5 to purchase a replacement, they can do so between 8:15 and 8:25 in the ISS room. No consequence will be given. Students must have exact change or pay with a check made out to Greer Middle School. ID's will not be sold at any other time during the school day.

Students will be counted as having their ID if brought in by a parent before the end of 1st period.

Tardiness

School begins at 8:30 for all grades. Students not in 1st Period at 8:30 are **tardy**. If a student arrives after 8:30, he/she must report to the office for an admittance slip to be admitted to class. Class tardies are covered in the discipline code on page 10.

Skipping School/Class

Students will not leave the school grounds during the day without permission from an administrator. Students who leave the school grounds without permission, or students who are absent without the consent of parents or guardian, shall be considered truant and shall be liable for suspension from school.

Exams

End of Course exams are required in Algebra I, Geometry, Spanish I. These exams count 20 percent of the final grade. Students may not be exempt from End of Course Exams.

Benchmark Tests

Benchmark Tests are given in the four academic content areas each nine weeks. These tests are used to determine mastery of content taught during the nine weeks.

Field Trips

Teachers provide field trips for enrichment opportunities from time to time. We do not wish to prohibit any student from attending a field trip, but if a student has served an in school or out of school suspension, the student may not be allowed to participate. The school administration will make the final determination. If a student misbehaves during the time between sign-up and final payment of the field trip (or the dates specified in the field trip letter), he/she may forfeit all or part of the money paid. Students are reminded that all items brought on a field trip are the responsibility of the student; neither the bus driver nor the bus company is responsible for missing or damaged items.

Bullying and Harassment

Greer Middle School administration takes a very strong stand against students participating in any bullying or harassment. If a student feels they are a victim of bullying or harassment, they should complete the Bullying/Harassment form (available from the front office, the guidance department, or any GMS teacher), get a parent signature, and return the form to the front office or Guidance Department. All forms turned in will be investigated and appropriate actions will be taken. Results of such an investigation vary depending on the severity of the situation and the circumstances. A signed copy of the form with a documented response from the principal or the principal's designee will be returned to the student.

Report Cards

Report cards will be given to students at the end of each of these nine-week periods: Oct. 30th, Jan. 24th, and March 27th. The last nine weeks report card will be mailed June 8, 2020. Students are responsible for providing a self-addressed stamped envelope.

It is the student's responsibility to give report cards to parents. Students and parents are invited to contact the teachers, counselors, and grade level administrators for a discussion of any problems related to student academic performance.

School Day

The school day for Greer Middle School will be from 8:30 to 3:25 pm. The school will be opened to students at 7:30 a.m. and no student can be dropped off prior to 7:30 a.m. Students are expected to be seated in their first period class when it begins at 8:30. Students should be picked up in the afternoon no later than 4:00 pm.

Sports Participation

In order to participate in athletics, students must meet the minimum criteria stated by the High School League. Students wishing to participate must be in 7th or 8th grade and have an overall passing average in each of their academic classes. They must maintain a passing average while participating. Each athlete is expected to conduct himself/herself in an honorable way at all times-in school and in the community. In addition, students who have been suspended from school or serve an in school suspension the day of a game may be ineligible for participation. Students must also provide the required forms to participate.

Textbooks

Some teachers issue class sets of books that remain in the classroom. Other teachers issue textbooks to each student. Students are expected to care for textbooks as if they were their own. **ALL LOST OR DAMAGED TEXTBOOKS MUST BE PAID FOR.** Students are asked to do the following to protect textbooks:

- Do not leave books outside
- Do not loan books to classmates

Transfers and Withdrawals

Parent/guardians must come into Greer Middle School to transfer or withdraw a student. Students must return all textbooks. Students must get clearance from the media center and the cafeteria regarding any unpaid fees.

Students reporting to the nurse for illness must remain in the health room until released by the nurse to return to class or go home. If the health room is not open, the office staff will call the parent or send the student back to class. All medication needs to be brought in by a parent/guardian with appropriate forms. Students are not to be in possession of any medication.

Accidents ,Emergencies, Medical Conditions

Every effort is made to prevent accidents. If an accident occurs, school officials will administer first aid as appropriate and the parents will be contacted as necessary. Parents can arrange an appointment by contacting the school at 355-5800. Teachers are required to contact parents frequently by their website, phone, note or email. Please visit our website for links to teacher web pages at www.greenville.k12.sc.us/greerms/index.asp

Debts

Students are responsible for all supplies, materials or equipment checked out in their name. Parents will be notified about cafeteria debts. Media Center overdue notices will be sent to teachers and periodic checks for textbooks will be conducted to ensure textbooks are returned or fines are paid.

Early Dismissal

Parents who wish to get their student out of school early must report to the main office and sign their student out of school. Please send a note in advance of the time that you want to sign out your student. This will make it faster and easier for you to sign out your student. The last early dismissal of the day will be at 2:45 p.m. Any early dismissals after 2:45 must have preapproval from Mrs. Lackey or your grade-level administrator.

Dismissal

ALL students are to remain in their 6th period class until the car-line monitoring system has notified each student that their ride is here. The only exception will be, bus riders that have instruments in either band or strings will be dismissed to Mr. Gill, Ms. Laird and Mrs. Hutton at 3:25pm with a band or strings pass. Those students should remain with them until their ride arrives at Greer Middle. ALL students found in the hallway or in the car pickup areas before their car/bus has been called will be disciplined by the administration. 6th Graders should be picked up in the front car loading area. 7th and 8th graders should be picked up in the back car loading area. It is the responsibility of the student to look for parents in the car lines and enter the car in a timely manner to ensure a quick and safe car loading process. Students are not allowed to walk to Greer High School unless they are participating in an after school event at Greer High. All other GMS students should be picked up on GMS property.

Electronic Devices

Cameras, audio recorders, TVs, laser lights, electronic games, or cartridges for these games, etc., are not to be brought to school without permission. All unauthorized items will be confiscated. Cell phones should remain in students' bookbags throughout the entire school day.

Emergency Drills

State law requires schools to conduct emergency drills each month. Drills may occur at any time during the day. The main objective of drills is to practice in case of a real emergency situation. Instructions are posted in classrooms and discussed as part of classroom procedures. Students must follow teacher directions and cooperate with all requests to ensure their safety. An announcement will be made when it is safe to re-enter the building.

Hall Passes

Students must have a hall pass to be in the hallway for any reason except during the change of classes, going to and from lunch, and going home after school.

Insurance

Insurance will be offered to students for school-time protection and for twenty-four hour protection. Receipts for premiums should be kept to show hospitals and physicians. Parents are encouraged to purchase school insurance for their children. School insurance does not cover students playing sports.

Identification of Personal Belongings

Students are strongly urged to put their name or some identifying mark on all personal belongings (i.e. coats, shoes, notebooks, lunch bags, etc). This mark should be in an inconspicuous place.

Lockers

At the beginning of the school year each student will be assigned a locker in their Physical Education class (A replacement fee of \$5.00 must be paid for a damaged/lost P.E. lock). Students will be responsible for the locker assigned to them, and for ensuring that they lock the locker and do not share the combination with other students. Since lockers are school property, the school retains the right to inspect lockers from time to time.

Loitering after School

At the close of the school day, students are expected to leave the school grounds and return home. No student is to be at school after 4:00 p.m. unless he/she is being supervised by a teacher, coach, sponsor, administrator or parent. If a student is a car rider, they should be picked up from school no later than 4:00 pm unless they have a pass from a teacher for after school assistance. This time will be strictly enforced by administration. If a parent cannot pick up the child before 4:00 pm, the student should ride the bus home.

Lost and Found

Any articles found on the school grounds should be turned into the office. Students losing any item can have it returned by checking in lost and found, and making proper identification.

Parental Involvement

Parents are encouraged to become involved in the life of our school by joining the PTSA or participating on the School Improvement Committee. These parent-centered organizations represent your voice in our school. In addition to participation in these important organizations, volunteers are always needed to participate as chaperones at dances and other school events such as our pageants or assist with fundraising activities. You may sign up at Open House or by contacting the school for the Volunteer Chairperson's name and contact information.

Parental Visits/Conferences

Parents and other members of the community are always welcome at Greer Middle School. For the security of all students and to avoid disturbing the learning environment of students, visitors must enter by way of the office and secure permission and a visitor's pass before going to any other part of the building. Because it can be a disruption to class, parents will not be allowed to visit a classroom during class time without permission from the Principal. Conferences with teachers may be arranged by making an appointment with the individual teachers and/or team.

PTSA

Greer Middle School's goal is to have strong parental involvement in school activities. The PTSA will have active members and be involved in a number of events designed to support our school (See PTSA calendar of events on the last page). Parents may obtain information about the PTSA at Open House and by contacting the school.

School Improvement Council

The School Improvement Council is an organization composed of teachers, parents, administrators and other citizens elected and/or appointed by the Principal. These council members work as a team to assist the administration in determining present and future needs of our schools.

Selling/Buying

The selling or buying of any goods while on school grounds is prohibited. Snacks and drinks can be purchased after school from the vending machines in the foyer.

Valuables

Students are cautioned to never leave money or other possessions unprotected at any time on the campus. The school does not assume any responsibility for lost articles. Students are asked not to bring large sums of money, valuable jewelry, or cell phones, etc. to school.

Behavior Information

Each Greer Middle School student is expected to conduct himself/herself in an honorable way at all times-in school, at home, and in the community by:

- Respecting the rights, opinions, and property of all other persons
- Displaying good manners with every individual in school
- Treating others as one would like to be treated
- Maintaining a respectful attitude toward all people

Code of Conduct

Education is too important to be the sole responsibility of the schools. The success of school discipline depends on a collaborative effort among home, school, and community. By working together we can achieve the goals we all want – safe, orderly schools and a quality education for your child.

Listed on the following pages are sections of the Greenville County Schools Code of Conduct which has been approved by the board of trustees. The entire code of conduct is located on the school district website.

Discipline policies included in this publication are based on information a time of printing. District discipline policies are outlined in Parent Express, the Greenville County Schools' parent newsletter, which will be mailed in early August. You may visit the Greenville County Schools website at <http://www.greenville.k12.sc.us/> for updated discipline policies.

Dress Code

The personal appearance of every student is an important component of establishing a safe environment for optimal learning and respect for one another. Students are expected to dress in an appropriate manner while on school district property or when representing the school. Personal appearance should not disrupt student work or school order, become distracting to other students, or violate health and safety guidelines.

- Clothing and/or hair should not be so extreme or inappropriate to the school setting as to disrupt the education process. Therefore, clothing deemed distracting, revealing, overly suggestive or otherwise disruptive will not be permitted.
- No clothing, jewelry, or tattoos are permitted that display profanity, suggestive phrases, or advertisements for, messages or pictures depicting or suggesting alcohol, tobacco, drugs, or sexual content.
- Wearing accessories or clothing that could pose a safety threat to oneself or others is not allowed.

- Hats, hoods, bandanas, do-rags, and sunglasses may not be worn in the building.
- Attire must not show evidence of membership or affiliation with a "gang" in any negative sense of the term.
- Proper shoes must be worn at all times. (Flip flops, slides, slippers, bedroom shoes, shower shoes are not permitted). All shoes must have back strap.
- Skirts and shorts must be at least mid-thigh length.
- Pants must be worn at the natural waistline and undergarments are not to be visible. If they do not fit properly, a belt must be worn to keep them in place. If a student is in need of a belt at school and does not have one, a zip tie may be provided for the student.
- Shirts cannot be low-cut or show cleavage.
- See-through shirts will not be allowed.
- Sleeveless shirts and tank tops are permitted as long as the strap is at least three fingers in width.
- Clothing must cover waist, shoulders, back, and sides with no skin showing between the top garment and bottom garment.
- Clothing cannot expose undergarments.
- Holes in pants above the knee will not be permitted unless worn with leggings or another garment that covers the holes. Holes cannot be covered by tape, paper towels, sticky notes, or other various school/household items.
- If leggings, jeggings, tights, or yoga pants are worn, they must be worn with a shirt that reaches mid-thigh.

The administration will make the final judgment on the appropriateness of clothing and/or appearance and reserves the right to prohibit students from wearing any articles of clothing or other items which lead to or may foreseeably result in the disruption of or interference with the school environment. In the event the administration determines a student's dress is inappropriate for school in accordance with this policy, the administration will require the student to change and will inform the student not to wear the garment to school again. Students who are unable to receive a change of clothes will be placed in ISS for the remainder of the school day. Repeated violations of the dress code will be treated as disruptive behavior in violation of the District's Behavior Code.

Trespass and Student Threats

It is unlawful for any person to willfully or unnecessarily interfere with or to disturb in any way or in any place the students or teachers of any school in this state, to loiter about the school premises or to act in an obnoxious manner, or for any person to enter any school premises except on business without the permission of the principal.

Suspensions

Suspension is the temporary removal of a student from school or class to correct unacceptable behavior.

In-School-Suspension will be conducted at Greer Middle School. Students will arrive and depart from school as normal, but will be isolated in the ISS Room to complete their school work.

Out-of-School Suspension means a student will not be allowed on campus at any time during the school day or after school functions (sporting events, dances, etc.).

Expulsion

Disruptive or disorderly student conduct may result in removal from school.

In accordance with its discipline code set forth in Policy JD, the Board authorizes the administration to initiate expulsion proceedings against any student. In most cases expulsion means the removal of a student from school and the cessation of educational services for the remainder of the school year. Please see Greenville County Schools web site at <http://www.greenville.k12.sc.us/> for more details.

Criminal Prosecution

Any student committing a breach of the Disciplinary code that may also constitute a crime will, in addition to District disciplinary action, also be referred to appropriate law enforcement officials for possible criminal prosecution. No plea bargain or other type of agreement arising from such a referral, regardless of the assent of any District employee, will be binding on the Board.

Firearms on District Property

Any student determined to have brought a firearm to school shall be expelled for a period of not less than one year. For disabled students and elementary school students, the superintendent may modify this requirement on a case-by-case basis. Consequence: Student will be recommended for expulsion.

Discipline Policy

Greer Middle School will be a safe and orderly school to ensure that all students have the opportunity to learn. Acts that impair the ability of the school staff, teachers, and administrators to maintain a safe school environment will result in consequences. The discipline policy at Greer Middle School will reflect the Code of Conduct that has been approved by the Greenville County School Board.

Principals will reserve the right to adjust consequences based on the severity of the incident. However, the consequences below will represent the minimum consequences for particular offenses.

Discipline Abbreviation Index

- PD** **Principal Detention.** PD will be held on Wednesday mornings from 7:30-8:10 a.m. in the designated ISS room. Parents must have child at school by 7:30 a.m.
- TD** **Teacher Detention.** TD will be held on Tuesday and Thursday mornings from 7:30-8:10 in the designated grade level classroom. Parents must have their child at school by 7:30 a.m.
- ISS** **In-School-Suspension.** Students will report to a predetermined room and remain the entire school day (including lunch). Students will be given assignments from their classes to work on. Students will not be allowed to talk, sleep, or work on computers (unless for school purposes). Students will be taken to the cafeteria for lunch separate from all other grade levels or a bag lunch will be provided for them in the ISS room. Disruptions in ISS will automatically result in students being sent home for an OSS consequence. ISS does not count against student attendance.
- OSS** **Out-Of-School-Suspension.** Students will not be allowed on campus (including Greer High School campus) during OSS. That includes times during the school day and during after school events (sporting events, dances, talent shows, etc.). OSS on a Friday will also mean that students are not allowed on campus for Friday night football games and/or weekend activities at the school or at Greer High School. OSS does not count against student attendance.

Cell Phone Policy

There is no reason for middle school students to use a cell phone during school hours at GMS. This includes calling or texting parents during the school day without permission from administration. Students who choose to bring cell phones to school must keep them in their bookbag. During school hours while on school grounds, no student may use, or have turned on a cell phone without the prior permission of the principal.

Neither the school nor the district will be responsible for any lost, stolen, or damaged cell phone brought onto school property. A student in possession of a cell phone is in violation of this policy, and will be referred to the school's administration.

We will no longer confiscate student phones; instead, if a student is using their cell phone at Greer Middle School, a teacher should direct the student to put the phone away. If the student complies, a referral is to be written for "phone violation." and we will follow the matrix below:

First offense – 1 day In School Suspension (ISS).

Second offense-1 day Out School Suspension (OSS).

Third and subsequent offenses - 2 days Out of School Suspension (OSS).

If the student refuses to put the device/phone away, after the teacher has directed the student to do so, a referral is to be written for "refusal to obey." Refusal to put away the device/phone will result in an automatic 3 day out of school suspension from school.

Tardies

Students that are late to school cause major disruptions to the school day for office personnel and classroom instruction. Excuses for tardies to school will not be accepted unless they are accompanied by a doctor's note. All students are given three warnings for tardies (without a consequence) that allow for unusual circumstances (wreck that slowed traffic, oversleeping, car breaks down, etc.). All other tardies will (unless accompanied by a medical excuse) be deemed "unexcused" and fall into the 3rd Offense category as listed below.

There is no reason for a student to be tardy to class once they arrive at Greer Middle School. Students are allowed 3 minutes to change classes (6 minutes when moving to a Related Arts class), which is ample time to leave one class, and get water, and arrive at their next class. Students late to a particular class will also follow the guidelines below with three warnings and then subsequent consequences.

Tardy Consequences

First offense – Verbal warning by the teacher.

Second and Third offense – Verbal warning by the teacher, parent contacted by the teacher.

Fourth offense – Referral to appropriate Principal and Principal Detention assigned. Failure to attend Principal Detention will result in ISS.

Fifth offense -- Referral to appropriate Principal and ISS will be assigned.

Sixth offense (plus) – Referral to appropriate Principal and Out of School Suspension assigned.

Maximum Number of Consequences

Consequences for offenses vary depending on the severity of the action. Students that continue to disrupt school and receive consequences are subject to “maxing out” of a particular consequence. Below are the maximum times a student can receive a particular consequence. If a student exceeds this number, the next highest consequence will be given.

Principal Detention - 3 Days Maximum

ISS - 3 Days Maximum

OSS- 3 suspendable offenses Maximum

If a student reaches their maximum number of the above detentions, the consequence will roll over to the next highest consequence. Once the maximum number of Principal Detentions, and ISS days have been consumed, all referrals will result in out-of-school suspension. Once a student has reached their maximum out of school suspension days, they will be placed on school probation. The next violation at the level two or higher will result in a recommendation to the alternative school.

Level I-Disorderly Conduct

Disorderly conduct is defined as any activity in which a student engages that tends to impede orderly classroom procedures or instructional activities, orderly operation of the school or the frequency or seriousness of which disturbs the classroom or school. Consequence depends on the severity of the offense. Parents will be notified of consequence for each offense.

Student Speakers at School-Sponsored Activities

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

For a comprehensive overview of student's rights, please review the U.S. Department of Education's guidelines on religious expression in public schools at: <https://ed.gov/policy/gen/guid/religionandschools/index.html>

Reporting Bullying, Discrimination, Harassment, Intimidation and Misconduct

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JCDAG, students and parents may file a report of bullying, discrimination, harassment, intimidation, or misconduct by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

Investigations and Consequences

Reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions designed to end the harassment, intimidation, or bullying, and prevent such misconduct from reoccurring. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent issues. Any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Appeals

Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District's 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District's Title VI Coordinator. An appeal regarding sexual harassment,

sexual misconduct, or gender discrimination should be made to the District's Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision of the coordinator to the Superintendent or his or her designee.

A complete copy of the District's Policy, Administrative Rule, and report form referenced above can be located at <http://www.boarddocs.com/sc/greenville/Board.nsf/Public#>. You may also receive a copy of Policy JCDAG, Administrative Rule JCDAG, or the report form from your school upon request.

SCHOOL BUS CONDUCT AND SAFETY INSTRUCTIONS
Safety Instructions and Behavior Rules for School Bus Riders

According to South Carolina Department of Education guidelines, riding a school bus to and from school is a privilege, not a right. The safety and welfare of student riders depends on proper behavior and observance of the following rules and regulations. Students riding buses are held to the same standards of conduct that apply to the school or classroom setting. Safety concerns dictate that passengers on school buses and school district operated vehicles display their best behavior at all times.

Students are required to obey school bus rules and to respect the authority of drivers and other school personnel. Failure to do so constitutes a disciplinary offense. Students are to refrain from unnecessary conversation with the driver.

The District's Student Behavior Code is in effect for all students at all times when being transported on school buses to and from school or school activities. Thus, all students will be held accountable for complying with the District's Student Behavior Code, as well as the safety instructions and behavior rules set forth below.

- Be on time at the bus stop or loading station. The bus will not wait for those who are tardy. Never run after the bus if you are late. Drivers have been instructed not to stop for anyone running after the bus due to traffic and safety concerns.
- Wait for the bus to come to a complete stop before trying to board or depart. If you must cross the road, wait for the driver to signal you across with his/her hand when he/she has determined all traffic has stopped. Always cross at least ten (10) feet in front of the bus, whether boarding or departing.
- After boarding the bus, sit down and remain seated until the bus reaches your stop or your school. If the driver assigns seats, students are required to sit in the seats assigned to them.
- Any hostile physical conflict between individuals is forbidden on the school bus. Pushing, tripping, kicking, etc. will not be tolerated on the bus.
- Possession, sale, distribution or consumption of alcohol, illegal drugs, prescription medication, toxic substances, unauthorized possession, use, or distribution of a controlled substance or medication or intoxicating inhalants is prohibited. Possession of drug paraphernalia also violates school district policy. It is also forbidden to come onto school district property [school buses] after having consumed any of the above. Violation of any of the above will result in suspension from the school bus and also result in a recommendation for expulsion.
- Smoking, possession or use of tobacco products and smoking paraphernalia on the school bus is prohibited.
- Profane and vulgar expressions (oral, written, or nonverbal e.g., gestures), including those communicated or displayed on clothing, are forbidden on the school bus.
- Sitting in a seat on the bus that is already at capacity is not permitted.
- Keep all parts of your body in the bus at all times.
- Throwing anything in or out of the bus windows is forbidden.
- Eating or drinking is not permitted on the bus.
- Bringing animals, reptiles, insects, etc. on the bus is prohibited.
- Possession of any kind of weapon is not permitted on the bus. "Weapon" includes, but is not limited to guns, blackjacks, dirks, brass or other metal knuckles, razors, bludgeons, box openers, slingshots, knives, or any other device or object that is possessed or used with the intention of inflicting bodily injury or death. Consequence: Student will be suspended from the bus indefinitely and recommended for expulsion.
- Treat the school bus with respect. Vandalizing, damaging, or destroying of buses, is forbidden. The student may lose privileges, be suspended, be required to re-reimburse the school district for damages and receive other disciplinary sanctions.
- Keep the aisle clear. Store personal items on your lap.
- Keep the bus clean. A waste container is provided at the front of the bus for all waste or refuse. Use this container when boarding or departing the bus only.
- Use handrails when boarding or departing the bus.
- Threats of force, threats of injury, harassment, intimidation, blackmail, and hazing are forbidden and may violate state law. Hazing is any activity that humiliates, degrades, abuses or endangers another person, regardless of the person's willingness to participate.
- In the morning, students will be discharged only at their regularly designated school stop.
- In the afternoon, students will be discharged only at their homes or regularly designated stop.
- Sexual harassment/misconduct of a sexual nature is not permitted on the school bus. Comments, threats, conversations, coercion, actions, jokes, teasing, or intimidation when they are of a sexual nature and are unwelcome by those exposed to them are forbidden. Any student who believes he or she has been subjected to such behavior should immediately alert the school bus driver.
- Consensual participation in any sex act involving physical contact is forbidden. Students will be suspended from the bus and recommended for expulsion.
- No student should be subject to harassment and/or bullying. This protection applies on the school bus. Any student who believes that he/she has been the victim of harassment and/or bullying should promptly report the incident(s) to his/her bus driver.
- In summary, no distracting or dangerous activity will be allowed on the bus. Please be reminded that all bus riders are subject to the same rules and guidelines established in the school district's discipline policy and student code of conduct.

Transportation Procedure-Discipline Process

In order to insure the safety of all students riding school buses in Greenville County Schools, appropriate behavior is required for all students. Transportation to and from school is part of the school day and is an extension of the classroom. The same premise applies while students are transported to and from extracurricular activities. Students are expected to comply with the same Code of Conduct on the bus that is expected in the classroom. The issue of safety requires the student to be on his/her best behavior while on school buses or school system vehicles.

The School District's Student Behavior Code is in effect for all students at all times when being transported on school buses to and from school or school activities. Thus, while a student may lose the privilege to ride the bus due to his or her misconduct on the bus, based on the seriousness of the misconduct, the student may also be disciplined according to the District's Student Behavior Code, up to and including suspension or recommendation for expulsion. Students, parents and school employees must understand that rules are to be consistently and fairly enforced and obeyed. The driver should generally follow the steps listed below for routine student misconduct that may appropriately be addressed with steps. Should a student's conduct warrant an immediate referral to an administrator, the driver should move immediately to step 3 and notify the appropriate administrator of the conduct for handling by the administration. In following the steps set forth below, the driver shall explain to the student the offending behavior and what behavior is expected.

Video Camera Systems

All buses may be equipped with video surveillance equipment. This equipment is used to view student/driver behavioral issues by the transportation staff and principal/principal designee and other appropriate staff.

Driver and school administrators will generally observe the following steps when the driver submits a School Bus Disciplinary Report (form 130-07). However, if a student engages in severe misconduct as a first offense, the school administration is authorized to modify the disciplinary consequences, as appropriate. Depending upon the student's conduct, the school administration is authorized to skip the steps below and impose more severe disciplinary consequences, if circumstances warrant.

Driver Responsibilities

Step 1 -- Verbal Warning. Verbal warning will be documented and retained by the bus driver.

Step 2 -- Seating Change. Driver will relocate student to another seat either temporarily or permanently and will document on the Student Behavior Profile and Disciplinary Report.

Step 3 -- Student Referral. If student progress is not satisfactory after the driver has taken steps 1 through 2 or in the case of a student who engages in more severe misconduct as a first offense, the driver will submit the completed School Bus Disciplinary Report (form 130-07) to the school administration. The driver will note on this form what corrective action taken with the student prior to submitting this form, when applicable.

School Responsibilities

In order to insure the safety of all students riding buses in Greenville County Schools, appropriate behavior is required for all students. Transportation to and from school is an extension of the classroom and should be considered part of the school day. The issue of safety requires students to be on their best behavior while on school buses or vehicles. Violations of school bus rules will be addressed in the manner listed below, with the exception of violations relating to the tagging program used in elementary schools. The guidelines for that function are listed separately at the end of this document.

The School District Behavior Code is in effect for all students at all times when being transported on school buses to and from school or school activities. Thus, while students may lose the privilege to ride the bus due to their misconduct, the student may also be disciplined according to the District's Behavior Code, up to and including suspension, recommendation for expulsion and notification to law enforcement.
