

VIRTUAL HOUSE CHALLENGE

GREEN TREE ELEMENTARY

We miss you so much and want to see your smiling faces! We also miss our Houses and all our **House spirit!** So.... we have created a **Virtual Challenge** for you! This is not meant to be more work, instead it is meant to be a **fun, refreshing break** where we can interact with EVERYONE from GTE!

Here is how you complete a Challenge and **EARN HOUSE POINTS** for your House- simply choose items from the Menu below to complete. You can complete as many as you want from **now until May 21st!** Show us that you completed your Challenge by recording a short video on Flipgrid! If you haven't used it before, that is ok! Ms. Day, has created a video tutorial for you and it's really simple!! Once you **upload your video to the grid** on Flipgrid, you will be able to see EVERYONE else's' videos as well! Go checkout all your friends' videos and stay connected with them!

This is one of that last chances to earn House Points for your House before the end of the year! Its' a close one and the leaderboard is changing everyday! We can't wait to watch your Challenge Videos on Flipgrid! Click the links below to watch our introduction video and the Flipgrid tutorial!
