

## **Guest Speaker Presentation Guidelines**

Share your personal experience as an entrepreneur

- background
- business
- events that led to becoming an entrepreneur

What challenges did you face and how did you overcome them?

Describe unexpected opportunities you experienced along the way.

How did you learn to become a successful entrepreneur: influence of a relative, guidance of a mentor, formal education, trial and error, etc.

What's one or two of the most important lessons you have learned from your entrepreneurial experience???
