

Guidelines for Mrs. Fisherback's Room  
2012 - 2013

- Be kind, courteous, and respectful to all members of the school community. Follow all school rules.
- Class time is very valuable and will not be wasted.
- All make-up work is the responsibility of the student. If you miss a day you can check the class calendar to get your assignment. **DO NOT ASK ME FOR IT DURING CLASS TIME!** If you miss a quiz or test please see me to schedule a time to take it. If you miss notes you can copy from a reliable classmate of your choice outside of class time.
- Keep an **organized** three-ring binder.
- All learners have inquiring minds. Do not expect people, especially me, to know what you are thinking. I will assist you anytime you need it.
- Carry and **USE** your agenda book.
- The materials that you use during this period are your responsibility. If you lose or damage materials you will need to replace them.
- Be prepared! You will need a pencil and a red pen each day in class.
