PATRICK MURPHY  
Director of Health, Physical Education  
and Family & Consumer Science

February/March 2016

Dear Parents/Guardians:

On Thursday, March 17<sup>th</sup>, 2016, one of our high school health teachers, Ms. Jennifer Aull, will be delivering her HIV/AIDS mandated lesson with her Peer AIDS Educators. This lesson will be taught in the 7<sup>th</sup> grade social studies classes. The lesson will include defining HIV/AIDS, the four modes of transmission, and the misconceptions of the virus.

With New York State having an alarming number of cases of HIV/AIDS, we strongly believe that all students should be a part of this important lesson. In the event that you do not want your child to take part in this lesson, please contact Mr. Steve Hauk, the Assistant Principal at West Hollow Middle School, at (631) 592-3407. In order to be proactive in our fight against HIV/AIDS, we encourage you to continue this discussion in your home.

Sincerely,

Patrick Murphy
