summary

The Boy who Lived

On Halloween night a baby boy named Harry Potter is placed on the doorstep of his aunt and uncle Dursley's house by Albus Dumbledore headmaster of Hogwarts School of Witchcraft and Wizardry. Harry's parents were killed by Lord Voldemort, the most evil dark wizard that ever lived. "You know who" also tried to kill baby Harry but the spell backfired and left Harry with a lightening bolt scar on his forehead. Harry is forced to live with his muggle relatives that mistreat him. On Harry's 11th birthday Hagrid the keeper of the keys at Hogwarts tells Harry that he is a wizard and that he will be attending Hogwarts. At Hogwarts Harry is placed into Gryffindor house, one of four houses at Hogwarts, by a magical sorting hat. He becomes friends with Ron Weasley and Hermione Granger. They soon discover that a powerful object called the Sorcerers Stone is being hidden at Hogwarts and that someone is trying to steal it. Harry and his friends go on an adventure to save the sorcerers stone.
