

Ms. Hartsoe's Virtual Art Lessons

All you need is:

- two pieces of paper (whatever you have will work)
- a pencil
- your chromebook

Watch the videos: -<https://www.tate.org.uk/kids/explore/what-is/surrealism>

-

https://www.youtube.com/watch?v=a2bAN9pPeiE&list=RDCMUC3LqW4ijMoENQ2Wv17ZrFJA&start_radio=1&t=0

OPTION 1:

I want you to think of two animals that are not alike. What makes them different? Draw the two animals SEPARATE on one piece of paper.

**Use this site below to help you draw them
(you can either watch the video or scroll
down the page to see the steps)

<https://how2drawanimals.com/>

RULES:

- It must be a realistic animal (meaning NOT cartoon)
- It must be detailed
- You will sketch 2 animals separate 1st
- Then you will draw your animals COMBINED

OPTION 2:

I want you to think of two CARTOONS that are not alike. What makes them different? Draw the two cartoons SEPARATE on one piece of paper to practice.

****Use how to draw youtube videos for any cartoon!****

Then draw them combined! Image below. If you have already done this project, do the animal one.

Rules:

- The cartoons you draw must differ, or the combination will not create an interesting cartoon.
- You must draw the cartoons separate first on one paper.
- The cartoons must be drawn in detail.

-You will draw the final combined cartoon on another paper. It should be colored. (if supplies are available)
