

Well we're from the town of Brunswick
And our school is HBS
Our mascot is the bobcat
And the bobcats are the best
We've got a song to sing for you
About our favorite school
We're respectful and responsible
And safe cause that's the rule

**Harriet Beecher that's the school for me
Come with me to HBS and see what you can see**

Well I'm going to the playground
To the blue top and the slide
Over toward the monkey bars
The surfboard spring to ride
When it's cold in winter
I'll be climbing on the snow
Listen for the recess bell
Now it's time to go

**Harriet Beecher that's the school for me
Come with me to HBS and see what you can see**

We go to the gymnasium
On Monday afternoons
We might be playing bucketball
While listening to tunes
Our teacher's Miss D'Agastino
She is tons of fun
Our favorite game is scooter tag
We love to laugh and run

**Harriet Beecher that's the school for me
Come with me to HBS and see what you can see**

When Ms. Sherrill says it's story time
We all go to the bleachers
If I can't find any Harry Potter
I can ask my teacher
When we're in the library
We visit Ms. Veilleux
I'm bringing back a couple books
I'm hoping to renew

**Harriet Beecher that's the school for me
Come with me to HBS and see what you can see**

On Thursdays we all go downstairs
For art class with Ms. Moll
I'm hoping that my awesome art
Will be hung up in the hall
I'm making a great jester
And there's glitter everywhere
We work with clay and paint sometimes
But we always work with care.

Come with me to HBS and see what you can see**

Down stairs in the music room are
Ms. Hodgdon and Ms. Brown
We sing, dance and play instruments
And never wear a frown
When we fill up all our stamps the
Music time is free
We play guitar or xylophone
Or on the marble tree
