

**American Rescue Plan Elementary and Secondary School Emergency Relief Requirement for
ARP ESSER School District Plan**

Updated: 6/2/2021

The American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief (ESSER) Fund was established in response to the immense challenges facing students, educators, staff, schools, and districts in preparing for and responding to COVID-19. The funds are for a wide array of activities to address diverse needs arising from or exacerbated by the pandemic, or to emerge stronger post-pandemic. This includes responding to students' social, emotional, mental health, and academic needs. Because of the unprecedented, one-time funding available to districts, the South Dakota Department of Education (the department) encourages school districts to invest the funding strategically. Investments should provide sustained benefits to students and positively impact the district long-term.

The below plan must be completed by each public school district receiving funding under the ARP ESSER, developed in concert with stakeholders as detailed below and available for public comment. Districts must submit this plan to the department by Aug. 20, 2021; all funds must be obligated by Sept. 30, 2024. All funds must be liquidated by Dec. 10, 2024.

The ARP ESSER School District Plan Template is based on the U.S. Department of Education (US ED) Interim Final Rules 34 CFR Chapter II, Docket IDED-2021-OESE-0061 from April 22, 2021, the [ARP State Plan](#) issued April 21, 2021 from US ED, and US ED's [Frequently Asked Questions](#) issued May 2021.

This plan must be provided in formats accessible to parents who speak a language other than English and individuals with disabilities.

School District: Harding County School District 31-1	Total ARP ESSER Funding Available: \$212,079.00
Date of School Board Plan Approval: 8/9/2021	Budgeted to Date:
ARP ESSER School District Plan URL: Hardingcounty.k12.sd.us	Amount Set Aside for Lost Instructional Time: \$53,020.00

Prevention and Mitigation Strategies

1. Describe how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent Centers for Disease Control and Prevention (CDC) guidance on reopening schools. Please insert NA if a category is not applicable to your plan.

Narrative	Approximate Budget
Overview For the 2020-2021 school year, the district budgeted and utilized funding toward prevention and mitigation of Covid -19 to assist in offering in-person instruction for the entire school year. We have partially budgeted to include the ARP/ESSER III funds in our district FY 22 budget. For FY22, we will be using previous ESSER funds as appropriate for student learning, recovery, advancement, and safety as it pertains to the Covid-19 pandemic.	
Equipment and/or Supplies Items purchased previously with other federal funds: PPE, desk shields, plexiglass, touchless water fountain stations, touchless hand sanitizer stations, Clorox 360 machines, Covid Stipends for staff, and other cleaning supplies are examples of equipment and supplies our district purchased with other federal funding allocations.	TBD
Additional FTE	NA
Other Priorities Not Outlined Above	TBD
Total Approximate Budget for Mitigation Strategies	TBD

Academic Impact of Lost Instructional Time

2. Describe how the school district will use the funds it reserves (i.e., at least 20 percent of funding) under [section 2001\(e\)\(1\)](#) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions (please see [U.S. Department of Education's FAQ](#) A-10 and C-2; districts may also consult the department's Evidence Based Practices Template found under Documents/Resources [here](#)). This can include summer learning, extended school day, comprehensive afterschool programs, or extended school year. Please insert NA if a category is not applicable to your plan.

Narrative	Approximate Budget
<p>Overview</p> <p>The district will be offering in person instruction for the 2021-2022 school year. We had 100% of our students in person for the 2020-2021 school year and this is anticipated again in 2021-2022.</p> <p>Interventions are based off the RTI/MTSS model of collaboration.</p>	
<p>Specific Evidence-Based Interventions (eg., curriculum, assessments)</p> <p>We use evidence-based curriculum and assessments across the district.</p> <p>NWEA MAPS IXL SCOOTPAD KAHN ACADEMY DIBELS TEACHERS PAY TEACHERS</p> <p>Learning loss was not evident from our testing scores and benchmark Assessments. We missed a total of five instructional days for the entire 2020-2021 school year because of COVID.</p> <p>Committee meetings for benchmarking and progress monitoring activities will include NWEA Maps, IXL diagnostics and DIBELS data. Staff development in Flipped classroom training and Social Emotional Learning (SEL) will be installed.</p> <p>In our data monitoring we closely look at strands of deficiency and patterns within each classroom and student. If we find a consistent pattern of a deficient standard that classroom teacher will further address and make sure all material/standard is covered.</p> <p>Budget amounts of \$37,800 will be used over the course of the next three school years for access to Teacher Pay Teacher curriculum, NWEA Maps Benchmark Testing, and IXL, Scootpad, Mosaic and related intervention learning programs.</p>	<p>\$37,800</p>
<p>Opportunities for Extended Learning (eg., summer school, afterschool)</p> <p>We offer after school homework room for our K-5 students, an 8th period homeroom assistance program for MS/HS and summer school for students who have been targeted. Because we follow a 4-day school week, teachers will provide additional instruction on Fridays if deemed necessary.</p>	<p>TBD</p>
<p>Equipment and/or Supplies</p> <p>Additional classroom supplies in the areas of math, science, English/language arts, and social studies will be purchased over the course of the next three school years on an as-needed basis. We are still researching programs that will meet the needs of our students while providing additional learning</p>	<p>\$14,000</p>

opportunities. We are currently looking into STEM products such as OSMO, math products such as Dreambox Learning, and several others. We plan to re-evaluate this amount as we go so that we can utilize funds in the correct areas to help out students the most.	
Additional FTE NA	TBD
Other Priorities Not Outlined Above These are indirect cost expenses related to the items budgeted for Learning Loss. Per ARP Grant terms, up to 31.48% of the total budget may be coded as indirect costs. We are budgeting just 2.3%.	\$1,220.00
Total Approximate Budget for Academic Impact of Lost Instructional Time	\$53,020

Investments Aligned with Student Needs

- Describe how the school district will ensure that the interventions it implements described in question 2 above will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic. This should include specific language around each of the below groups. Discuss each category by elementary, middle, and high school, if appropriate.*

**If a population is not traditionally and was not present during the 2020-21 school year, the district may include a statement on how it will address the needs of such students should that population be present in the 2021-22, 2022-23 or 2023-24 school years.*

Investments in Other Allowed Activities

4. Describe how the school district will spend its remaining allocation consistent with [section 2001\(e\)\(2\)](#) of the ARP Act (see [here](#) for remaining allowable uses of funds). Please insert NA if a category is not applicable to your plan.

Narrative	Approximate Budget
<p>Overview</p> <p>The district will encourage staff development and teacher collaboration to not only improve instruction but enhance it to better serve our student body.</p>	
<p>Academic Supports</p> <p>Staff working together in committee meeting to review student progress, Friday Academy for one-to-one intervention, Parents night with staff provide the academic support for students to be successful.</p> <p>The district will purchase iPads or Microsoft Surfaces and other technology equipment to improve classroom instruction not only in-person but virtually.</p> <p>The district will look at purchasing an LMS to help bridge the gap between virtual and in person learning. *Canvas platform</p>	<p>\$55,000.00</p>
<p>Educator Professional Development</p> <p>The district will promote staff development and collaboration efforts to improve the overall educational program to better meet the needs of our student body.</p> <p>Speakers & Presentations</p> <p>Flipped Classroom Training and we are looking at installing and reviewing the Micro credentials online courses. This will prepare staff to work effectively with student learning models.</p>	<p>\$5,000.00</p>
<p>Interventions that Address Student Well-Being</p> <p>The district will provide opportunities and utilize a variety of outside sources to address student needs and mental health.</p> <p>Social emotional learning (SEL) will be the professional development that will prepare staff to work effectively with student learning.</p>	<p>\$2,500.00</p>
<p>Strategies to Address Workforce Challenges</p>	

2.0 FTE 2022-2024 The district will hire two paraprofessionals will work with students and assist classroom instruction. They will work closely with students who may have some learning gaps and have been targeted by staff.	\$130,000
Other Priorities Not Outlined Above Additional instruction – Curriculum and learning opportunities	\$18,000.00
Total Approximate Budget for Investments in Other Allowed Activities	\$210,500.00

5. If the school district proposes to use any portion of ARP ESSER funds for renovation, air quality, and/or construction projects, describe those projects below. Each project should be addressed separately. (Districts may add boxes as needed). Please insert NA if this category is not applicable to your plan.

Please also note that these projects are subject to the department's prior approval. For further guidance, see [U.S. Department of Education's FAQs](#) B-6, B-7, B-8 and C-27.

Engaging Students at Risk

7. Describe how the school district will use ARP ESSER funds to identify, reengage, and support students most likely to have experienced the impact of lost instructional time, including, but not limited to:
- Students who have missed the most in-person instruction in the 2019-20 and 2020-21 school years
 - Students who did not participate or participated inconsistently in remote instruction
 - Students most at risk of dropping out of school.

Please note if these strategies represent a continuation from either ESSER I or ESSER II funding.

Narrative	
Overview	The district will use our NWEA MAPS program as well our IXL diagnostics for Math, LA, and Science. With these assessment tools we should be able to identify gaps and strand deficiencies and identify/provide intervention strategies for students that experienced learning loss.
Missed Most In-Person	<p>For the '21-22, '22-23, and '23-24 school years, the district will hire two teacher Paraprofessionals that will work with our high need students.</p> <p>*The district provides all the technology needs for the entire K-12 student body and faculty.</p> <p>*The district will offer homework assistance for K-12 students that have need extra help or may behind in their studies.</p> <p>*The district will offer summer supplemental activities for K-12 students that may need assistance.</p> <p>*The district will provide opportunities and encourage staff to utilize outside resources and become knowledgeable on mental health.</p>
Did Not Participate in Remote Instruction	We did not have any students who chose on-line instruction as a learning option.
At Risk of Dropping Out	We continually engage students and assist them to get on track. Our main goal as a district is to make sure we provide every opportunity that every child graduates.

We have and will continue to offer credit recovery classes, summer assistance and tutoring where it is applicable and needed.

Stakeholder Consultation:

8. Describe how the school district did and will continue to engage in meaningful consultation with stakeholders around the planned use of ARP ESSER funds.

District Assurance of Regular Review

The South Dakota Department of Education will collect assurances from superintendents that ARP ESSER Plans have been reviewed, available for public comment, and amended if necessary at these points during the school year:

- December 2021 (in conjunction with December Child Count)
- June 2022 (in conjunction with Year-End Sign-off)
- December 2022 (in conjunction with December Child Count)
- June 2023 (in conjunction with Year-End Sign-off)

To facilitate transparency, the department will post the link to each school district's plan on its website. It will be the responsibility of the district to ensure its link remains valid.
