Re: Important 2017-2018 school year scheduling and password information

Please keep this information in a secure location for the duration of the student's enrollment at HCRHS.

Dear Parents/Guardians:

Over the next few months, Hunterdon Central and your sending district school (Delaware, East Amwell, JP Case or Readington Middle School) will begin the process of preparing current 8th grade families for the transition to high school. Your involvement is a crucial element in planning a successful academic program for your son/daughter. This letter includes important and confidential high school credentials specific to your student, which will be used throughout their enrollment at HCRHS. Please retain this information for scheduling and for future access to the HCRHS Aspen student information system.

Each 8th grade sending district student will receive a Class of 2021 Course Recommendation Selection Form from their middle school counselor. Using this form as a reference, each student will enter course requests online during the scheduling time frame identified below. These course requests will be used to build the student's 2017-2018 school year schedule. Please contact your child's middle school counselor if he/she did not receive this course recommendation form.

Grade 8 course entry time frame for Grade 8: February 9 – February 13
