

She's a 10, but...

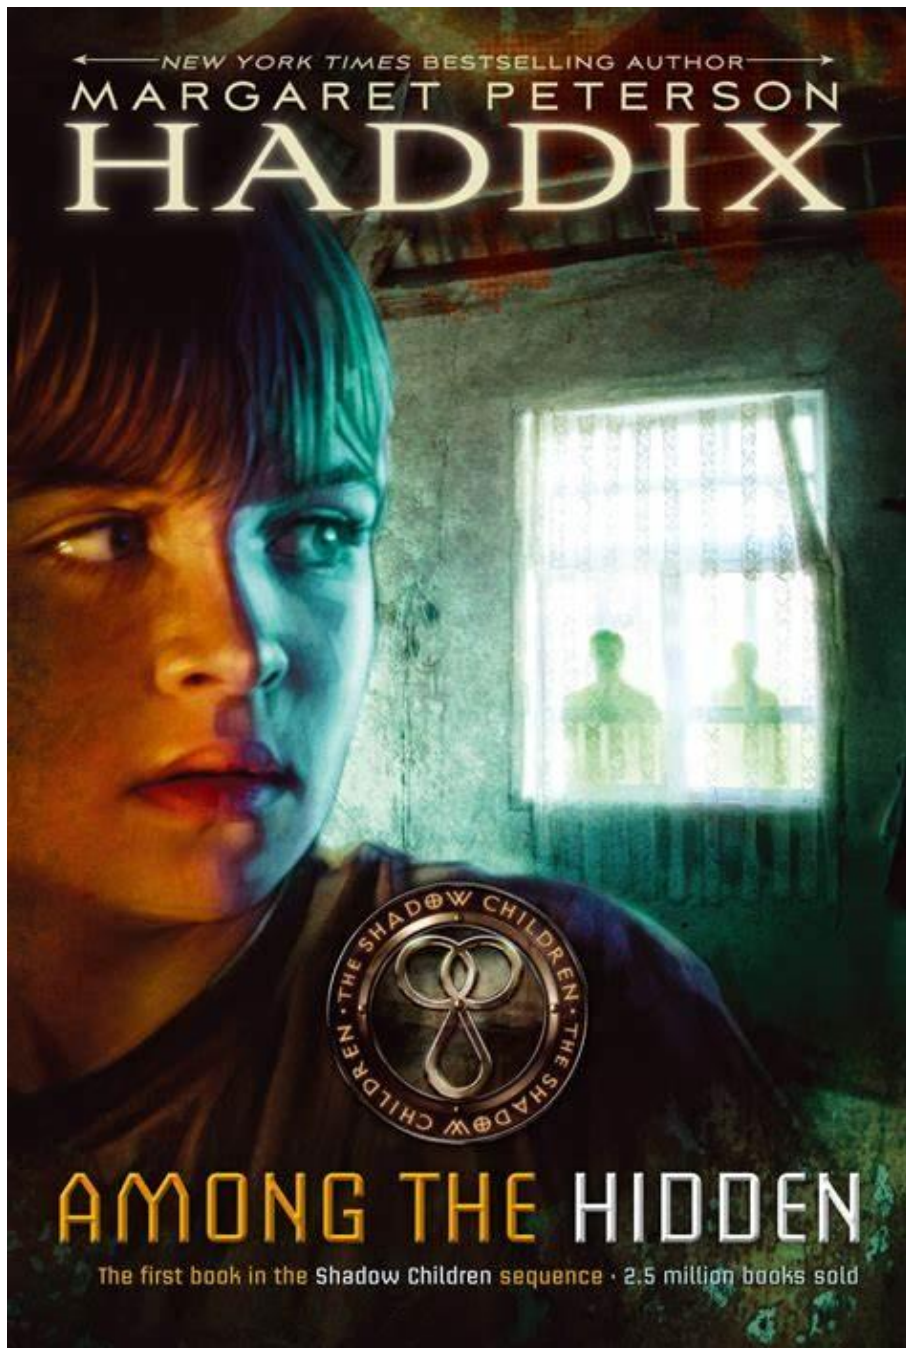

She lives in a city lit up  
by light bulbs.

# She's a 10, but...

She has to know every single word of the human language.

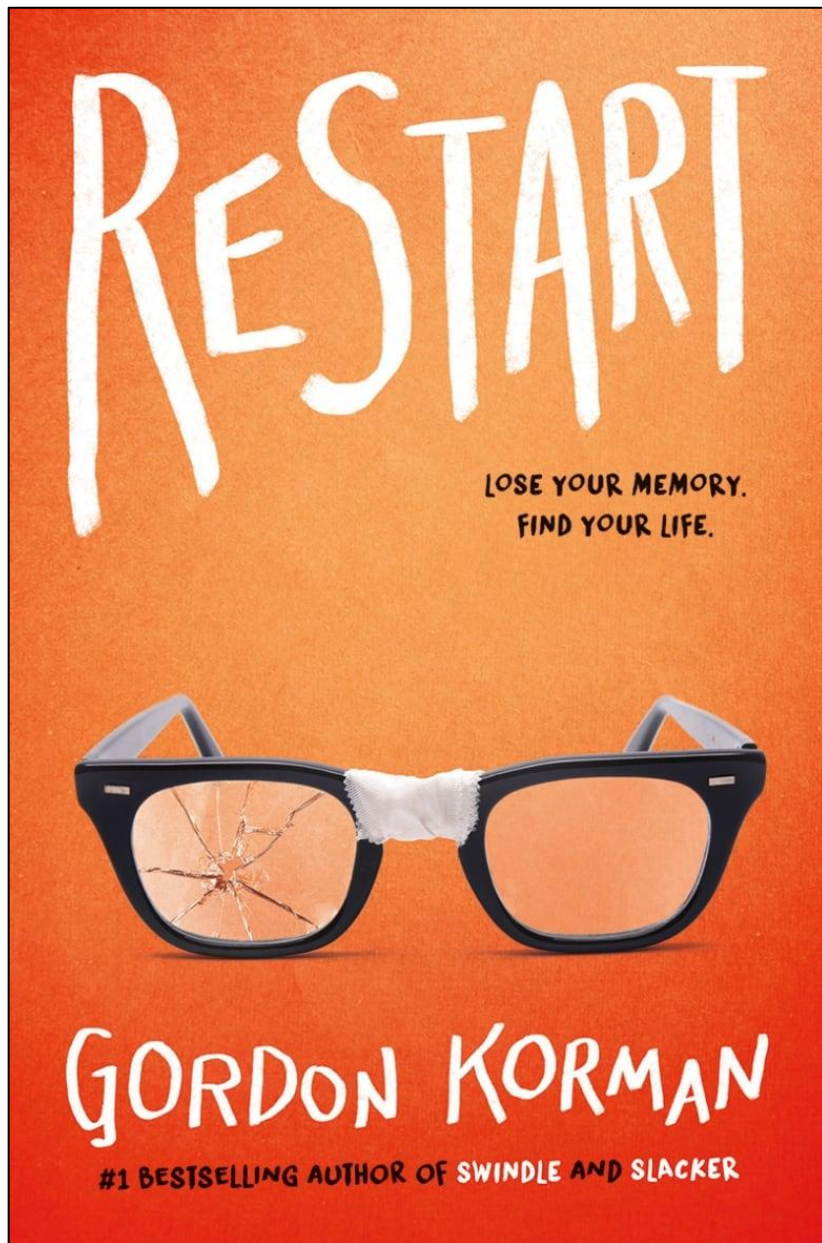

He's a 10, but...

He can never go out in  
public with you.

He's a 10, but...

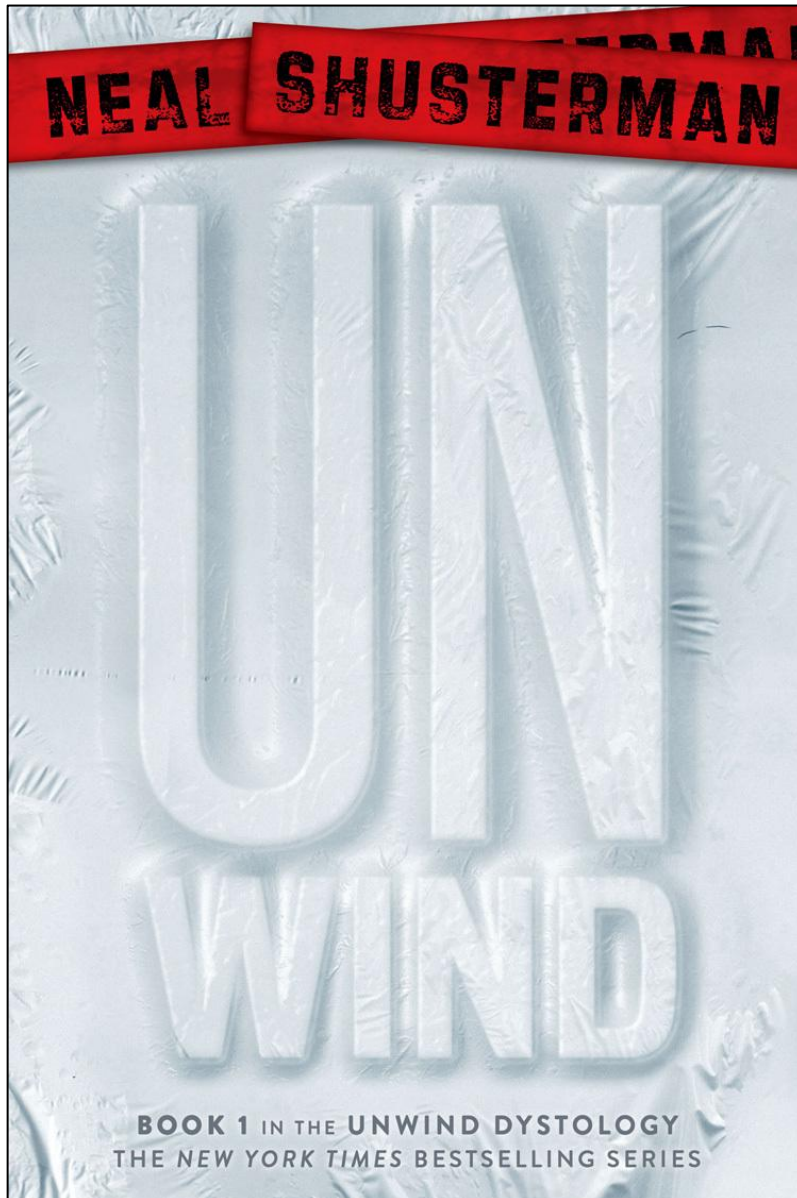

He doesn't remember who  
he is, not even his own  
name.

# She's a 10, but...

She has to choose between becoming a stunningly attractive pretty or turning in her runaway bestfriend.

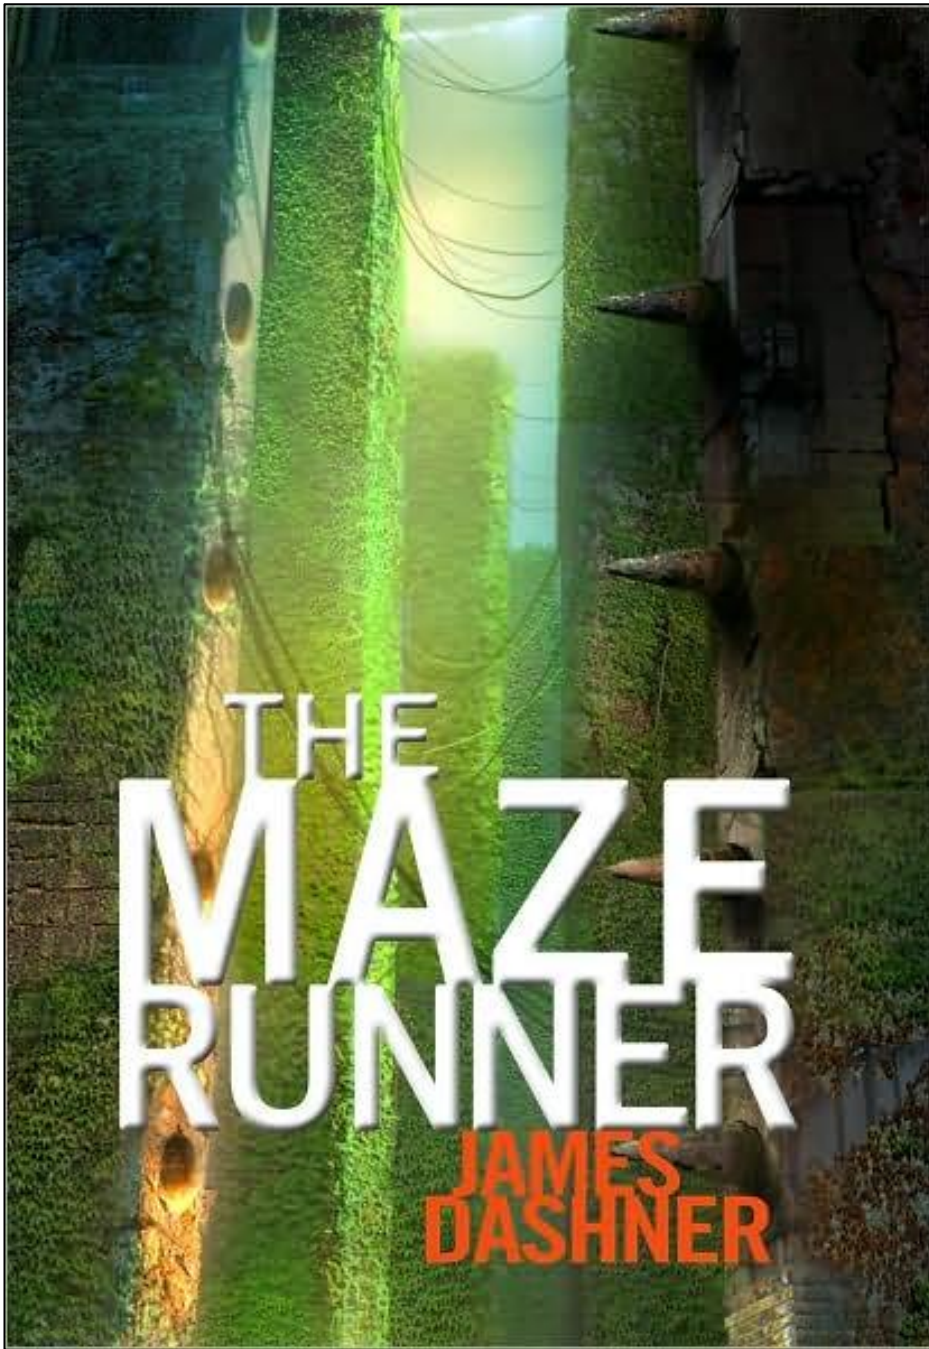

He's a 10, but...

His organs are to be  
dissected and transplanted  
into different recipients.

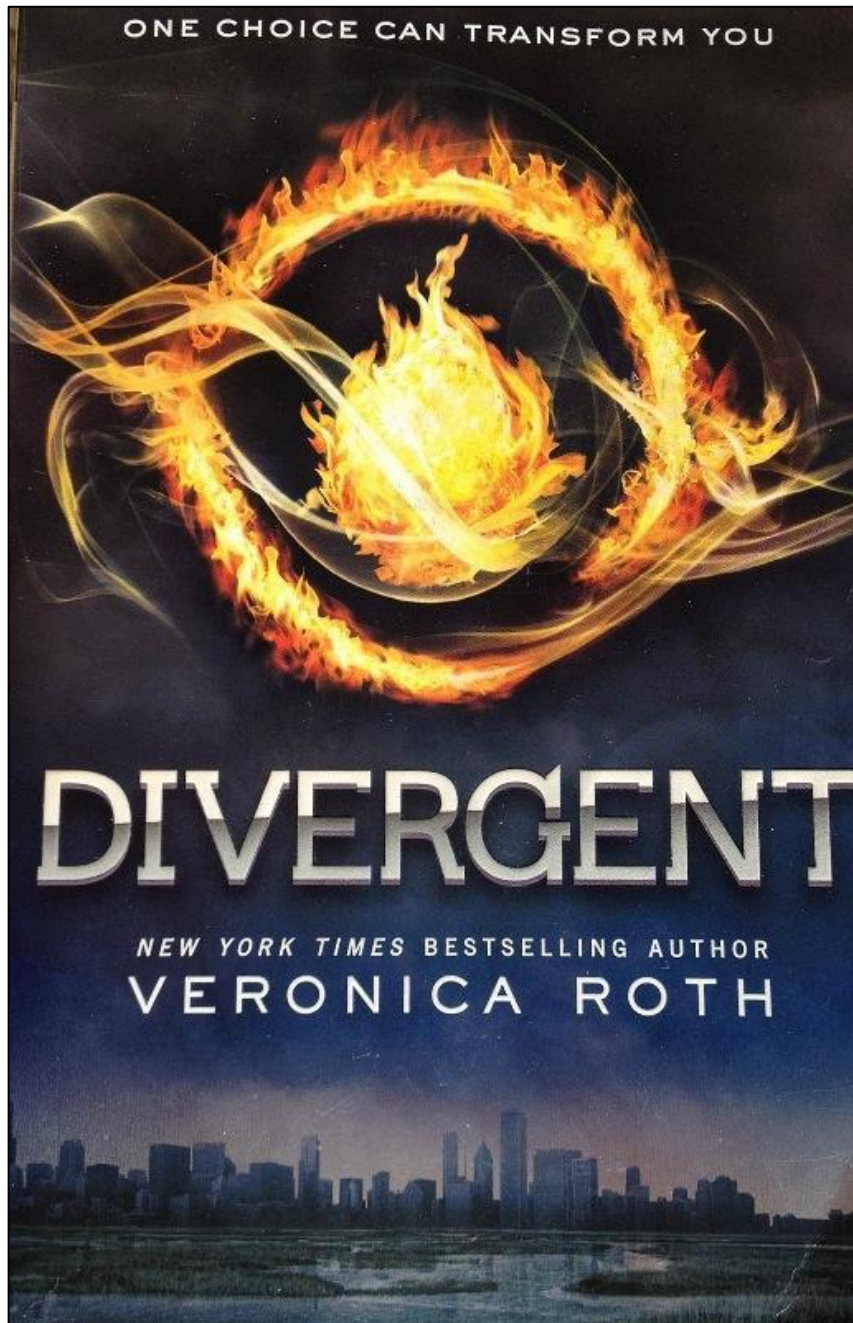

He's a 10, but...

He was bitten by a  
ariiever.

She's a 10, but...

She is an outcast from  
society.
