

Spanish 2 Emergency Academic Plan

Dear Parents and Students,

During our six-week absence from in building classes, we want to continue your success as a world language learner. We will be utilizing Duolingo as an excellent resource to practice Spanish and improve your grades at the same time! Here's how!

1. Access Duolingo through the App Store or Google Play. For PC (duolingo.com)
2. Create new account
3. Choose the purpose of your account as School
4. Set your minutes per day goal to 20 minutes.
5. Sign up with email
6. Click add course
7. Choose Spanish
8. When Duolingo asks you to choose your path, click on Placement Test so you can skip lessons you're already good at.
9. Keep working on Duolingo every day till you complete the lesson called "Hobbies".
10. Upon completion, send a screenshot of your achievements page under your profile. This screenshot provides proof that you have completed your assigned lessons. With the email containing your screenshot, please let your teacher know which of the following two academic compensations you would prefer.
 - A. If you failed first semester, your teacher will submit a grade change form that changes your 1st semester fail grade to a D. This means you won't have to retake that first semester class in the future! 😊
 - B. Your second semester grade will be raised to 100%. You will begin April 27th with 100% in your Spanish class. Upon return to regular classes, it will be up to you to maintain your shiny new grade through the remainder of the year! 😊
