

St. Michael-Albertville High School

2024-2025 Profile

About Us

St. Michael-Albertville (STMA) High School is a comprehensive high school comprising grades 9-12. It is located 30 miles west of Minneapolis. STMA High School is where our tradition of excellence truly shines. We help students transition into the high school environment and give them the support, encouragement, and opportunities to explore real world opportunities that set them up for success in life, regardless of their career pathway. Being a Knight means achieving great things, collaborating with others, learning through innovative and hands-on programming, and striving for excellence as students prepare for life beyond the walls of our high school.

Enrollment

All Students: **2,225**
Class of 2025: **533**

Demographics

Ethnicity	%

Other Program Options

PSEO

Postsecondary Enrollment Options (PSEO) is a program that allows juniors and seniors in Minnesota high schools access to college courses. Credits earned at the post-secondary institution are counted both on high school and college transcripts and can fulfill secondary as well as post-secondary graduation or degree requirements.

STMA Online

STMA Online gives students additional access to online coursework to meet their unique academic needs. Courses are taught by STMA staff who use familiar technology tools to deliver curriculum. STMA Online has full program approval from the NCAA and the Minnesota Department of Education. STMA offers both supplemental and comprehensive programming.
