High School USA Gallery

- Check out Jim Richardson's photos covering a rural Kansas high school in the late 1970's. Here's the description of the photo book he published:

Photographs of students, teachers, and coaches at Rossville High School in Rossville, Kansas, combined with the students' own words, capture the high school experience from football season to graduation and through identity struggles and romantic involvements

Gallery Walk

- [Look through his gallery](#) and select 5 photos that you like the best. For each of the following slides, paste the photo and answer the questions.

Photo 1
