

History of Photography

Student Name _____

Do research on the Web (no Wikipedia) to find an **interesting story** about the history of photography. OK, so Wikipedia can be a starting point, but dig deeper! Present your “story” to the class orally. Select one of the following topics as your starting point:

Camera Obscura

Joseph Niepce

Louis Daguerre

William Fox Talbot

Wet Collodian Process

Richard L. Maddox (dry-plate photography)

First Color Photography

George Eastman (roll film)

Polaroid Photography

First Digital Camera

EVALUATION

___ 1. Student told an accurate story about one of the above topics to the class.

___ 1.

___ 2. Story is factual and based on “digging deeper” than Wikipedia.

___ 2.
