

## **Hogie Music Scholarship**

The Hogie Music Scholarship is in honor of Leander Hogie and in memory of his wife, Ellen. They taught vocal music, directed bands and choirs, and taught piano or band instruments to thousands of students throughout their careers, including Leander directing the Elkton City Band and vocal music and Ellen teaching piano, playing for church, and accompanying Elkton school musicians in the early 1950s.

This scholarship will be given to a graduating senior who has excelled at music at Elkton High School. A preference will be given to students who intend to continue with music in college. The amount of the scholarship will depend on the availability of funds from the endowment.

## Hogie Music Scholarship

Name \_\_\_\_\_ Birth Date \_\_\_\_\_

Attach a photo with your name printed on the back.

### 1. Academic

Please include an official transcript with ACT scores included.

### 2. Activities-specifically musical

Include a typewritten summary outlining school music activities (i.e., band, choir, etc.) and what your involvement was. Also, include other extracurricular, civic, religious, volunteer, and special interest activities, especially those involving musical talents.

### 3. Character

Write a 200 word or less description of yourself including your goals and values. Detail your enjoyment and involvement in musical activities and include what part they played in your education and what part they might play in your future. Please attach a letter of recommendation from your musical director(s) regarding your musical activities and talents. Recommendation needs to be typed.

### 4. Interview

Finalists may be interviewed at a designated time and place. Applicants will be called if they are chosen as a finalist. The Elkton School Endowment Committee will conduct the interview.

Applications must be dropped off at the following address by no later than **April 15th**.

Elkton School Endowment Committee
