

# HOLIDAY NEWSLETTER PROJECT

Students are to create a two-page newsletter **focused on a winter holiday** or **describing multiple holidays that are in the winter months**. If the holiday is not listed below, please let me know so that I can add it.

Hanukkah  
St. Lucia Day  
Christmas  
Têt

Kwanzaa  
Winter Solstice  
Ramadan

Three Kings Day  
New Year  
Chinese New Year

The newsletter is to include:

- Decorative title using word art and graphics at the top of the first page.
- Edition/Your Name/Date in a Header
- Small “table of contents” to introduce the article included
- A text box that includes important information
- Articles should include:
  - History of the holiday
  - Humor regarding the holiday (school appropriate)
  - Foods – Maybe a favorite recipe
  - At LEAST TWO graphics per page
  - Must have at least two columns, design pages in an appropriate format do not make them over crowded and compact, also be careful of the WOW (world of white).
- DO NOT CUT AND PASTE – there will be a THIRD page to this assignment that will include citations. Be sure to site any websites that you use.
- Narrow Margins and consistent font size. (no article text larger than 14 no article title can be larger than 18)

**Please utilize the space and do not leave too much white space.**
