

Holidays Design Challenge

You have **3** days to complete one of these challenges!

The two most successful, decorative and elaborate ones will win prizes!

Build a non-denominational holiday icon-

gingerbread house	tree
snowman	santa sleigh
wreath	holly w/ berries
rudolph	snowflake

Rules-

- Must be within the dimensions
(no smaller than 5 square inches/no larger than 12 inches)
 - Need to turn in evidence of drawing/planning-
what is your design? How will it be constructed?
- Must be decorated and include at least one light that works
 - Individual or groups of 2

Available Materials-

Cardboard/white plastic
Construction paper
Masking tape
(NO LIQUID GLUES!)
Markers
Wires
Christmas lights
Batteries

Holiday Design Challenge Worksheet

Answer these questions before you begin

1. What icon will you be designing?
2. What materials will you need?
3. Draw your diagram of your design? What are the measurements/dimensions?
YOU WILL NEED BOTH A ROUGH SKETCH OF FINISHED PRODUCT **AND** A
DIAGRAM OF HOW IT WILL BE BUILT

Answer these questions after challenge is over

1. What was easy about this design challenge?
2. What was difficult?
3. What would you change about this design challenge?
