

## OFFICIAL HOME VISIT LETTER

**Home Visit Date:**

**Concentric Personnel:**

**Email Address:**

Dear Parent or Guardian,

The attendance team at your school recognizes that regular attendance and arriving to school on time are vital to a student's success, both in person and in a virtual environment. Our students need to take full advantage of the educational programming offered by the teachers and staff at your school, therefore, it is essential that students attend and arrive to their virtual Zoom/Google classrooms on time daily. Concentric Educational Solutions has partnered with your school to conduct home visits for students identified as chronically absent and/or students who have not been present at all.

Chronic absence can impact your child's ability to be promoted to the next grade. Poor attendance is one of the biggest reasons for academic failure; therefore, consistent daily attendance is vital for academic success. In accordance with the New Jersey State Law, you, as a parent, are responsible for assuring that your child attends school daily. Please contact your school to discuss what supports they can offer to get your child engaged virtually daily.

If you are without a device, in need of a hotspot, or are having issues logging in virtually, we are here to help. Please contact the main office at your child's school to provide them with any issues that your student may be experiencing. We believe that every child needs an education to be productive members of society and we look forward to working with you to identify positive educational solutions.

Educationally Yours,

*Concentric Educational Solutions*
