Contact me at jchomo@basdschools.org

All work is due online by Tuesday, August 29, 2017.

You will need to access an existing or create a new quizlet.com account. Please use your school login information as your username and password. I MUST be able to identify you, so please make sure your real name appears on the account. In addition, I would like everyone to join my summer Remind.com class so that I may communicate easily with you, if necessary.

- Go to quizlet.com and join the class **2017-Chomo-Summer Spanish IV Honors** using link below: <https://quizlet.com/join/Rr78JFEK9> (If for some reason, the link does not work, simply search for the specific name of my class.)
- For Remind, text the message **@2017chom** to 81010 to receive timely updates and important reminders. You can also send me a personal message using remind.

Quizlet.com Assignments

Please log into your quizlet.com account and review the following sets of flashcards which can be found in the class **2017-Chomo-Summer Spanish IV Honors**. You can practice as many times as is necessary. Ultimately, your goal is to complete the “Learn” mode for each set. You will have completed the process after **you correctly enter all** of the words from that set. Please do NOT stop after having done the process only once. In order to get credit and have the results show up in your profile for me to see, **you must continue until you get them all right and you get the message on the screen that says that you have completed learn.** Quizlet will save your results, so this does not have to occur in one sitting. Each set must be completed by **Tuesday, August 29, 2017.**

Listening Practice

It is imperative that you not only practice grammar and vocabulary, but your listening skills as well. You will need to select **two** authentic Spanish audio/video sources that are each at least 2 minutes in length. You may select one from the following websites. Once you have selected a

source, listen to it and try to summarize it in Spanish. You do NOT need to understand every word. You should be challenging yourself. For each one you will write a 4-5 sentence summary in Spanish and you will SHARE it with me (jchomo@basdschools.org) on Google Docs no later than **Tuesday, August 29, 2017** . You MUST include the links in order to get credit.
