	Securi	y Question #1					
	2.	In what city did you attend high school?					

• After creating the account, it will ask you to add a student. First, chose the student's school. Then, enter the first and last name of the student as it appears on the B.H.S. records (no nicknames or abbreviations). Then enter the student's birthdate. You do not need the student's I.D. number. Once entered, click on "Find Student" and your student should appear. You can enter all students who attend school in the Barnstable School System in one "My School Bucks" account.
