

# HOW TO USE THE BRAINSTORM MAP

# WHAT IS THE BRAINSTORM MAP EXACTLY?

THIS IS A SPACE FOR YOU  
TO WRITE OUT YOUR  
IDEAS AND PLAN YOUR  
PROJECTS LIKE AN  
OUTLINE. THERE IS NO  
TRUE RIGHT WAY OF  
DOING IT; JUST MAKE  
SURE IT MAKES SENSE TO  
YOU AND OTHERS.

# USING THE MAP

# REMEMBER...

- This is simply a designated area where you will place your ideas down on paper. This is to help YOU and your PLANNING.
- This is also how I, Ms. Onochie, will be able to see *progression* in your thought process
