

# How to Zoom Better

A research project about  
the visual and audio aspects of Zoom calls

# INSTRUCTIONS

You will be researching how to be better at Zooming, and putting together your research in the Google Slide Template.

You will research the following:

- 1) Tips for angles and camera placement while using Zoom
- 2) Tips for better lighting while using Zoom
- 3) Tips for better sound while using Zoom
- 4) Tips for better virtual & real life backgrounds while using Zoom
- 5) What to avoid while using Zoom

**PLEASE INCLUDE BOTH TEXT AND IMAGES ON EACH SLIDE**

# Tips for angles and camera placement while using Zoom
