HEALTH SCIENCES ACADEMY PARENT-STUDENT CONTRACT

To be a member of the Health Sciences Academy, I agree to the following terms:

Student Section:

1. Maintain a minimum of a 3.0 weighted grade point average by the conclusion of my sophomore year, and do not allow my GPA to drop below the 3.0 standard for the remainder of high school.

Volunteer Program on hold due to COVID-19

2. Complete a minimum of 25 hours of volunteer service each year in high school at approved locations, totaling a minimum of 100 hours of service by the end of 12th grade. Of the 100 total, 25 hours must be in a healthcare setting. All hours must be turned in by the deadline that is set by the Academy staff each year.

The mandatory HSA volunteer program has been put on hold as a precaution to COVID-19. The Health Sciences Academy endorses virtual volunteer opportunities, which are voluntary.

3. Successfully complete 6 courses from the HSA course list by the end of 12th grade.
4. Actively participate in events sponsored by the Academy and its partners for Health Sciences Academy students.
5. Behave in a respectful, professional manner that is befitting of a future healthcare professional. This includes not violating the Rules of Student Conduct, as defined in the Code of Student Conduct. Out of school suspensions or forgery/dishonesty on any Health Sciences Academy documentation are grounds for immediate removal from the program.
6. Inform the Health Sciences Academy in writing if I no longer want to be a part of the program.

I am aware that failure to abide by any part of this contract will lead to my immediate removal from the Pitt County Schools' Health Sciences Academy and exclusion from the benefits of being a member.

Parent/Guardian Section:

1. Notify the Health Sciences Academy of any changes in our mailing address or phone number, or if my student will be transferring to another school.
2. Provide for my student transportation to and from Health Sciences Academy events on time or call if there is an emergency.
3. Support the Health Sciences Academy staff in their attempt to make sure my student reaches his/her goal of a career in health care. This includes being actively involved in making sure that my student is:
 - Working hard to keep his/her grades up, and seeking assistance if needed
 - Volunteering, realizing the importance of giving back to the community
 - Conducting himself/herself appropriately at school and being respectful of peers and teachers.
4. Read and understand the requirements and guidelines in student section of this agreement that my child has agreed to meet and the consequences of not meeting these requirements.
