High School Online Learning

The RCS Summer Learning Program uses a computer-based learning system called Edgenuity that provides students with another medium for achieving academic credit. Edgenuity allows students to work at their own pace while completing necessary academic courses. Rochester Community Schools does not recommend online courses as preparation for an AP course in the same subject area.

How does Online Learning work?

- Online courses require students to have remote access to a standalone PC with high speed internet access.
- The teacher will use e-mail to communicate with the students on class days.
- The coursework will be accessible the first day of the session.
- Students taking **Online Credit Recovery Courses only** are required to take an assessment at **Van Hoosen Middle School** on the first day of the session.
- Each online course is designed to be the equivalent of approximately **60 hours of instruction**.
- Students will take notes as part of their online curriculum. Notebooks are considered a vital part of the online learning course. **Students are required to take 1 – 1½ pages of notes per section.**
- **All coursework, notebooks, and assessments must be completed by 9:00 p.m. the night before the last day of the session.** If these are not completed, the student **will not** be allowed to take the final exam on the last day of the session and the student **will not** receive credit for the class. There are no exceptions, extensions or incompletes.
- Students will take their final exams at **Van Hoosen Middle School** on the last day of the session.
- Students' grades will be based on completing online assessments, their notebooks, any assigned supplemental materials and a cumulative final exam.

Online Course Tuition (non-residents)

\$325 – Per Online Course - Student must complete course in one session (Available all 3 sessions)

\$50 – Online Course Extension Fee (only available Session 1 & 2) Course #99100

With the extension, student may continue working on the course through a second session, then take the exam at the end of the second session (only available session 1 & 2). Extension fee must be paid at time of registration. The \$50.00 fee is to accommodate additional resources for online students only. There is **no refund** if the student completes the course early.

There will be a mandatory introductory video for all parents and students to review online course and technology requirements via the SLP website. Questions will be answered via Zoom on the following dates:

Session 1 Zoom Meeting Monday, June 14, 6:30 p.m. For Session 1 Online courses: June 15 – July 1	Session 2 Zoom Meeting Monday, July 5, 6:30 p.m. For Session 2 Online courses: July 6 – July 22	Session 3 Zoom Meeting Monday, July 26, 6:30 p.m. For Session 3 Online courses: July 27 – August 10
