High School Online Learning

The RCS Summer Learning Program uses a computer-based learning system called Edgenuity that provides students with another medium for achieving academic credit. Edgenuity allows students to work at their own pace while completing necessary academic courses. Rochester Community Schools does not recommend online courses as preparation for an AP course in the same subject area.

How does Online Learning work?

- Online courses require students to have remote access to a standalone PC with high speed internet access.
- The teacher will use e-mail to communicate with the students on class days.
- The coursework will be accessible the first day of the session.
- Each online course is designed to be the equivalent of approximately **60 hours of instruction**.
- Students will take notes as part of their online curriculum. Notebooks are considered a vital part of the online learning course. **Students are required to take 1 – 1½ pages of notes per section.**
- **All coursework, notebooks, and assessments must be completed by 9:00 p.m. the night before the last day of the session.** There are no exceptions, extensions or incompletes.
- Students' grades will be based on completing online assessments, their notebooks, and any assigned supplemental materials.

Online Course Tuition (non-residents)

\$325 – Per Online Course - Student must complete course in one session (Available all 3 sessions)

There will be a mandatory introductory video for all parents and students to review online course and technology requirements via the SLP website. Questions will be answered via Zoom on the following dates:

Session 1 Zoom Meeting Monday, June 14, 6:30 p.m. For Session 1 Online courses: June 15 – June 30	Session 2 Zoom Meeting Tuesday, July 6, 6:30 p.m. For Session 2 Online courses: July 7 – July 21	Session 3 Zoom Meeting Tuesday, July 27, 6:30 p.m. For Session 3 Online courses: July 28 – August 11
