

Hamster Castle STEAM project

Goal: You will design, create and build a habitat and exercise maze for Humphrey. After designing the habitat, you will share your designs with the class. Your job is to create a castle fit for a hamster!

Remember Good Hamster Habitats include:

- A room for them to sleep (a hamster hideaway)
- A place for them to eat
- A bathroom
- An exercise wheel and/or ball
- Tunnels and ramps
- A fun interactive maze

Supplies:

- Cardboard
- Paper Towel tubes
- Toilet Paper Tubes
- Glue and Tape
- Construction Paper
- Rulers
- Pencils / Markers
