Course: 10th Grade Language Arts

Room: 516

Required Supplies: Pens or pencils, a spiral notebook, and a folder

Language Arts This Year

This year we will focus on a variety of themes that connect our reading and writing over the course of a marking period. Throughout the year, we will be reading novels, short stories, informational texts, poetry, podcast transcripts and more. **Our goal as a class is to learn and strengthen your skills in reading, writing, speaking and listening.** A big reason we read and write is to learn more about what it means to be human and about experiences similar and different to our own lives. No matter what your relationship has been with Language Arts in the past, this school year is a fresh start and an opportunity to push yourself to be who you want to be!

Class Breakdown

Close Reading:

Close reading is a time to build technical reading skills, like identifying main ideas, themes and analyzing how authors use techniques to communicate these ideas. Students will write main idea jots and short responses about what they read, along with engaging in discourse daily.

Novel Study:

Novel study is a time for us to come together as a community and read a novel together. Each marking period has specific themes connected to the novel. Every week, students will engage in purposeful note-taking and meaningful discussions that aim to deepen our understanding of the novel and interconnecting themes.

Writing:

Students will engage in writing on a daily basis, whether that be quick Do Nows, short responses or working on an essay. This year, we will develop writing skills and techniques across creative, informational, literary analysis and argumentative genres of writing.

Daily Discourse:

Daily discourse is a time for students to build academic skills, such as verbal communication and active listening. Students will synthesize information by exploring main ideas and thematic connection as the class moves through the novel and our close reading texts. Students will also learn how to prepare and engage in Socratic seminars.

Absences and Make-up Work Policy:

Students will be responsible for independently getting the work that was missed due to absence. Students are responsible for checking the “Absent Folder” to see what assignments they have missed. Students may follow up with Ms. Hunt with any questions regarding the work or deadlines, however it needs to be during a time that works for both the student and Ms. Hunt (which is often not during class). **Late work will not be accepted after one week from the original due date.** Failure to turn in work by the deadline will result in the work marked as a 0. Of course, in the case of an emergency or extenuating circumstances please contact Ms. Hunt so she can support you.

Retake Policy:

Majority of **mastery assignments** are eligible for redo/retake. Student must connect with Ms. Hunt within a week of returned assignment to schedule a redo/retake if eligible.

Class Expectations

Following classroom expectations is vital for your success and the success of others around you. When you make the choice to come to class you agree to follow these expectations. **Failing or refusing to follow these expectations will result in you being asked to leave and not receiving credit for your work that day.** You will always be welcomed back when you are ready to follow expectations.

- **Be Focused and be Present in Class-** When in this class, your focus is on Language Arts and the work that goes along with it. This also means when Ms. Hunt or a student is speaking your voice is off and your attention is on them.
- **Make Space for Everyone-** Treat everyone with respect, make room for all voices and always lead with kindness and understanding. Hate and disrespect will not be tolerated.
- **Put in the Effort-** You need to try and put forth effort in order to be successful in this class (and life). Giving up is not an option.
- **Follow Class Policies-** Food and cellphone policies must be followed.
- **Come Prepared-** You know you will need materials every day, so bring them.

Cellphone and Earbuds Policy

In order to eliminate distractions, cellphones and earbuds are to **be away at all times** during class*. After **one reminder** to put your phone or earbuds away, your phone/earbuds must remain on Ms. Hunt's desk for the remainder of the class period. **Failure to follow this will result in you being asked to leave the classroom.**

*Sometimes during work time listening to your music is okay! Ms. Hunt will let you know when this is.

Food Policy

Food is not to be eaten in the classroom. If there is an extenuating situation where you didn't eat breakfast or lunch, please connect with Ms. Hunt and we will work out a plan.
