**Students Not Returning to Indian Creek...**

If your student will not be returning to Indian Creek for the 2023-24 School year, please notify the office so we will know not to expect them this fall for the 2023-24 school year.

**A Reminder from the Health Office ...**

As we near the end of the school year, please mark your calendar to pick up any medication your student might have in the health office by 1:00pm on Wednesday, May 31st. It is required that an adult pick up the medication; it cannot be sent home with the student. If you have any questions, please call 319-447-3273. Thank you for your support during this school year and we hope you have a fun and relaxing summer!

2023-24 E-Registration

All Linn-Mar students will be required to complete the E-registration process on PowerSchool for the 2023-24 school year. You will be asked to log on to PowerSchool sometime during the month of August to complete the e-registration, this will ensure that the permissions will be valid for the 2023-24 school year. If e-registration is done prior to the opening date in August the permissions will not carry over, and you will need to complete the process once again.

AUGUST 23, 2023

is the first day of school for the 2023-24 school year!

New 2023-24 Kindergarteners...

If you have a child who will be starting kindergarten here at Indian Creek Elementary, please be watching for emails with more information specific to kindergarten. If your child attends jr kindergarten, or a Linn-Mar preschool you already have a PowerSchool account with the district for your child. Your child's records will be sent to us over the summer, and you will just need to update the forms in PowerSchool during e-registration. If your child will be brand new to the Linn-Mar District you will need to complete the pre-registration form on the Linn-Mar website. Pre-registrations will be approved once the PowerSchool rollover has been completed. Once your pre-registration has been approved you will then complete the online PowerSchool forms that are required for the e-registration for the 2023-24 school year.

Have a GREAT Summer Break!
We'll see you in August!
