

CELEBRATE NATIONAL PARK WEEK!!!

Day 1 (Wed):

8:15 - 8:45 Students are introduced through a [Prezi presentation](#) to the idea that it is National Parks Week in which we will focus on Pipestone National Monument.

8:45 - 9:00 Given a list of choices students (45) (in groups of 3) will choose a topic/area related to Pipestone National Monument in which they will research and put together a 5-7 page PPT to present to the gray team. We would combine our classes for this (mixed groups). Topics to choose from are:

- an overview of the park
- The Three Maidens
- Quartzite Cliffs
- Nicollet Rock
- Pipestone Creek
- Winnewissa Falls
- What is pipestone?
- Quarrying Process
- Plants found in the park
- Animals found in the park
- glacial features/geologic formations found in the park & how they were formed
- important people related to the park
- prairies/grasslands
- religious significance of the park

9:00- 9:03 Break

9:03 – 10:00 Research for PPT. Some sites students can use to help with their research are:

<https://www.nps.gov/pipe/index.htm>

<http://www.pbs.org/nationalparks/parks/explorer/>

<http://www.ohranger.com/pipestone>

10:00 - 10:05 Break

10:05 – 10:50 Continue Research

10:50-10:59 Break

10:59-11:37 Students will create Dream Catchers

Day 2 (Thurs):
