

IECHS Parking Information

We have two parking spaces available for IECHS visitors at the end of Dixon Drive behind the Brewster building (see photo below of what the space looks like--it's right next to a dumpster). If both spots are taken then there is a metered lot behind Brewster (see [THIS](#) map link or view the metered parking spaces on the above map).

About IECHS

IECHS is a public Pitt County Schools (PCS) STEAM (Strategies That Engage All Minds) and AVID (Advancement Via Individual Determination) high school located on East Carolina University's (ECU) campus. IECHS students are selected from an application and interview process during their 8th grade/rising 9th grade year. Students attending this school are dually enrolled as PCS students and ECU students; they will have the opportunity to graduate from high school in four to five years with up to 60 university transfer credits for free.
